

How to Declare a Health Studies Minor

- A. Read the [Health Studies Handbook](#)
- B. Fill out the Bryn Mawr [Minor Declaration Form](#) and include HLTH 115, Senior Seminar, plus M, R, S designations. Please do not plan to double count more than one of your Major courses for your Health Studies Minor.
- C. Write answers to 4 questions below and e-mail to a Health Studies Advisor.
- D. Make an appointment with Health Studies Advisor.
 1. What interests you about Health Studies?
 2. What Health Studies electives are you excited about taking and why? If you have already completed your electives, what did you find most valuable and how did these courses contributed to your decision to declare the minor?
 3. How does the Health Studies curriculum complement or depart from your major or other minors and concentrations?
 4. How will a Health Studies minor help you reach your academic and professional goals?
