ADMISSION

Bryn Mawr College seeks candidates of character and ability who want an education in the liberal arts and sciences and are prepared for college work. The College has found highly successful candidates among students of varied interests and talents from a wide range of schools and regions in the United States and abroad. In its consideration of candidates, the College conducts a holistic review in determining a student’s ability and readiness for college through the student’s high-school record in context of the rigor of her program of study, her rank in class (if available), standardized tests, personal essays, and insight provided by school and community officials.

Candidates are expected to complete a four-year secondary school course. The program of studies providing the best background for college work includes English, languages, and mathematics carried through most of the school years. In addition, history and a laboratory science are recommended. A school program giving good preparation for study at Bryn Mawr would be as follows: English grammar, composition, and literature through four years; at least three years of mathematics, with emphasis on basic algebraic, geometric, and trigonometric concepts and deductive reasoning; three years of one modern or ancient language, or a good foundation in two languages; some work in history; and at least three courses in science, including 2 lab sciences (preferably biology, chemistry, or physics). Elective subjects might be offered in, for example, art, music, or computing to make up the total of 16 or more credits recommended for admission to the College.

Since school curricula vary widely, the College is fully aware that many applicants for admission will offer programs that differ from the one described above. The College will consider such applications, provided the students have maintained good records and continuity in the study of basic subjects.

Application

Bryn Mawr College exclusively accepts The Common Application and there is no application fee. The Common Application is available at www.commonapp.org/Login. For more information about applying to Bryn Mawr, please visit: www.brynmawr.edu/admissions/apply/.

Admission Plans

Application to the first-year class may be made through one of three plans: Fall Early Decision (ED I), Winter Early Decision (ED II), or Regular Decision.
Entrance Tests and Interviews

Beginning with the 2014-2015 application cycle, undergraduate applicants to Bryn Mawr College will have the option of submitting standardized test scores.

- SAT I or ACT scores are optional for US citizens and US permanent residents.
- Non-US citizens and Non-US permanent residents are required to submit standardized test scores (SAT I or ACT) as well as either the TOEFL or IELTS if their primary language is not English and/or their language of instruction over the past four years has not been English.
- Official scores should be sent from testing agencies such as the College Board (Bryn Mawr code: 2049) or the ACT (Bryn Mawr code: 3526). Information about the tests, test centers, fees, and dates may be obtained at www.collegeboard.com and www.actstudent.org.

Students submitting test scores must have them completed by the January test date.

Interview: An interview either at the College, with an alumna admissions representative, or via Skype or telephone is strongly recommended for all candidates. Interviews should be completed by the deadline of the plan under which the candidate is applying. Appointments for interviews, information sessions, and campus tours can be made in advance by completing the campus visit request form online or calling the Office of Admissions at (610) 526-5152. The Office of Admissions is open from 9 a.m. to 5 p.m. on weekdays, and is open on select Saturdays throughout the year. A student who is unable to visit the College can arrange an alumna or Skype interview by visiting the website as well.

Application Deadlines

Fall Early Decision (ED I) the deadline for applications and all supporting materials: November 15.

Winter Early Decision (ED II) the deadline for applications and all supporting materials: January 1.

Regular Decision Plan the deadline for applications and all supporting materials: January 15.

International Students

Bryn Mawr welcomes applications from international students who have outstanding secondary school records and who meet university entrance requirements in their own countries.

Non-US citizens and Non-US permanent residents are required to submit standardized test scores (SAT I or ACT) as well as either the TOEFL* or IELTS** if their primary language is not English and/or their language of instruction over the past four years has not been English. Because exams are only given on selected dates students should sit for their exams well in advance of the application deadlines.
Bryn Mawr will accept official results of any of the TOEFL tests: computer, paper or Internet-based.

**Early Admission and Deferred Entrance**

Each year a few outstanding students enter the College after the junior year of high school. Students who wish to apply for early admission should plan to complete a senior English course before entrance to the College and should write to the director of admissions about application procedures. An interview, on campus or with an alumna admissions representative, is required of early admission candidates.

A student admitted to the College may request to defer entrance to the freshman class for one year. Students who wish to defer their entrance will submit the enrollment card with the $500 deposit and select the “defer” option. The student will then contact the director of admissions in writing by May 1 with the details as to how they will spend this time. Students will be contacted as to whether their requests have been approved.

**Credit for Advanced Placement Tests and International Exams**

Students who have carried advanced work in school and who have honor grades (5 in Art History, English, Environmental Science, French, Government and Politics, History, Music Theory, Psychology and Spanish; 4 or 5 in most other subjects) on the Advanced Placement Tests of the College Board may, after consultation with the dean and the departments concerned, be admitted to one or more advanced courses in the first year at the College.

With the approval of the dean and the departments concerned, one or more Advanced Placement Tests with honor grades may be presented for credit. Students receiving six or more units of credit may apply for advanced standing. The Advanced Placement Tests are given at College Board centers in May.

Bryn Mawr recognizes the academic rigor of the International Baccalaureate program and awards credit as follows:

- Students who present the full International Baccalaureate diploma with a total score of 30 or better and honor scores in three higher-level exams normally receive one year’s credit.
- Those with a score of 35 or better, but with honor scores in fewer than three higher-level exams, receive two units of credit for each honor score in higher-level exams plus two for the exam as a whole.
- Those with a score of less than 30 receive two units of credit for each honor score in a higher-level exam.

*Honors scores are considered to be 6 or 7 in English, French, History and Spanish; 5, 6 or 7 in other subjects.

Bryn Mawr also recognizes and awards credit for other international exams. Depending upon the quality of the examination results, Bryn Mawr may award credit for Advanced Levels on the General Certificate of Education (GCE), the French Baccalaureate, German Abitur and other similar exams.

Some placement tests are given at the College during Customs Week (Bryn Mawr’s orientation program for new students) and students can consult with their dean about the advisability of taking these placement tests.

**Home-Schooled Students**

Students who have received homeschooling or alternative education must submit The Common Application with supporting documents in addition to the following items:

1. Official transcripts from any high schools or postsecondary institutions attended;
2. An academic portfolio that includes:
   - A transcript of courses taken, either self-designed (including reading lists and syllabi), or a formal document from a correspondence school or agency;
   - Evaluations or grades received for each subject;
   - A short research paper, preferably completed within the last year (including evaluator’s comments);
3. An additional essay on the reasons for choosing homeschooling; and
4. An interview (on campus or Skype) with a member of the admissions staff.

Please note that the supporting documents noted above are in addition to those items required of all applicants.
Transfer Students

Each year a number of students are admitted on transfer to the sophomore and junior classes. Successful transfer candidates have done excellent work at other colleges and universities and present strong high-school records that compare favorably with those of women entering Bryn Mawr as first-year students. Students who have failed to meet the prescribed standards of academic work or who have been put on probation, suspended, or excluded from other colleges and universities will not be admitted under any circumstances.

The deadline for spring entrance is November 1 and fall entrance is March 1. Transfer applicants are required to submit The Common Application and all supporting documents.

Transfer and McBride applicants who are US citizens or US permanent residents are not required to submit standardized test scores. However, non-US citizens and non-US permanent residents are required to submit standardized test scores (SAT I or ACT) in addition to either the TOEFL* or IELTS** if their primary language is not English and/or their language of instruction over the past four years has not been English.

To qualify for the A.B. degree, students ordinarily should have completed a minimum of two years of full-time study at Bryn Mawr.

The Katharine E. McBride Scholars Program

The Katharine E. McBride Scholars Program was created to give women, 24 years of age or above, who for one reason or another did not begin or complete their education immediately following high school, an opportunity to attend Bryn Mawr College.

Applicants under the McBride program are required to submit The Common Application in addition to the items listed below.

- All official high school transcripts or GED equivalent (Secondary School Final Report is not required)
- All official college transcripts
- Two Instructor Evaluations*
- TOEFL (if applicable)

*McBride Scholar applicants who have not attended college within the last three years may submit letters of reference from recommenders other than professors.

Faced with rising costs affecting all parts of higher education, the College has had to raise tuition annually in recent years. Further annual increases may be expected.

Billing and Payment Due Dates

By registering for courses, students accept responsibility for the charges of the entire academic year, regardless of the method of payment. The College bills for each semester separately. The bill for the fall semester is sent in early July and is due August 1. The bill for the spring semester is sent the first week in December and is due January 2.

Student Financial Services sends an email containing a link to the electronic billing statement, (eBill) to the student’s official Bryn Mawr email address. The College no longer sends paper bills. Students are able to set up authorized payers (parents or others) who then can view bills online, make payments by electronic check or set up a payment plan when enrollment opens. Our third-party on-line processor for eBilling is Nelnet Business Solutions, (NBS). Students and authorized payers may make one-time ePayments through their QuikPAY product or utilize eCashier for the Automatic Monthly Payment Plan accessed through virtual.brynmawr.edu. The College’s payment plan, eCashier, enables monthly payment of all or part of semester fees in installments without interest charges. The cost of enrolling is a $25 nonrefundable fee per semester. Payments for the plan commence prior to the beginning of each term. Information about the payment plan is available from Student Financial Services.

The College reserves the right to prevent a student from registering for classes, attending class or entering residence until payment of the College charges has been made each semester. No student may preregister for the next semester, participate in room draw, order a transcript, participate in summer internships, employment or fellowships, hold leadership positions, participate in graduation, or receive a diploma, until all accounts are paid, including the activities fee assessed by the student Self-Government Association officers. This fee covers class and hall dues and support for student organizations and clubs. All resident students are required to participate in the College meal plan.

A fee of $370 per semester will be charged to all undergraduates who are studying at another institution during the academic year and who will transfer the credits earned to Bryn Mawr College, with the exception of students in the Junior Year Abroad Program.

Students are permitted to reserve a room during the spring semester for the succeeding academic year, prior to payment of room and board fees, if they intend to be in residence during that year. Those students who have reserved a room but decide, after June 15, to withdraw from the College or take a leave of absence are charged a fee of $500. This charge is billed to the student’s account.

All entering students are required to make a deposit of $500. This deposit is applied to the student’s tuition account.

Refund Policy

Students will be refunded 100% of their previously paid tuition, room and board, and college fee if the Registrar receives written notice that the student has withdrawn from the College or begun a leave of absence before the first day of classes.

For a student withdrawing from the College or embarking on a medical or psychological leave of absence on or after the first day of classes, refunds of tuition, room and board occur according to a pro rata schedule up to 60% attendance. No refunds are processed for withdrawals after 60% of the semester. Fall and spring breaks are not included in the calculation of refund weeks. Note that Self-Government Association dues and the health insurance portion of the college fee are non-refundable.

The date the student began the withdrawal process by contacting the dean’s office orally or in writing is considered the date of withdrawal for College refunds.
and for the return of Title IV funds. When a student continues to attend classes or other academically related activity after beginning the withdrawal process, the College may choose to use the student’s last date of documented attendance at an academically related activity as the date of withdrawal. For a student who leaves the College without notifying the College of the intent to withdraw, the College normally uses the student’s last date of documented attendance at an academically related activity as the date of withdrawal. If that date cannot be ascertained, the College will consider the midpoint of the enrollment period to be the date the student withdrew.

When a Student Withdraws

Treatment of Title IV Federal Aid When a Student Withdraws

This policy applies to all students receiving Federal Pell Grants, Federal Iraq and Afghanistan Service Grant, Federal Direct Loans, Federal PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOG), Federal Perkins Loans, and in some cases, state grants.

When a recipient of Title IV Federal grant or loan assistance withdraws or takes a leave of absence from the College during the semester, the College must determine per a federal formula, the amount of federal aid that the student may retain as of the withdrawal date. Any federal aid that the student is eligible to receive, but which has not been disbursed, will be offered to the student as a post-withdrawal disbursement. Any federal aid the student is not eligible to receive according to the federal refund policy will be returned to the federal government.

The student is entitled to retain federal aid based on the percentage of the semester she has completed. As prescribed by federal formula, the College calculates the percentage by dividing the total number of calendar days in the semester into the number of calendar days completed as of the withdrawal date. Fall and spring breaks are excluded as periods of nonattendance in the enrollment period. Once the student has completed more than 60% of the semester, she has earned all of the Title IV assistance scheduled for that period.

The amount of Title IV assistance not earned is calculated by determining the percentage of assistance earned and applying it to the total amount of grant and loan assistance that was disbursed. The amount the school must return is the lesser of:

- the unearned amount of Title IV assistance or
- the institutional charges incurred for the period of enrollment multiplied by the unearned percentage.

The order of return of Title IV funds is:

- Unsubsidized Federal Direct Loans
- Subsidized Federal Direct Loans
- Federal Perkins Loans
- Federal PLUS Loans
- Federal Pell Grants
- Federal Iraq Afghanistan Service Grant
- Federal Supplemental Education Opportunity Grants (FSEOG)
- Other Title IV assistance

If the College has issued a refund of Title IV funds in excess of the amount the student has earned prior to the withdrawal date, the student is responsible for repaying the funds. Any amount of loan funds that the student (or the parent for a PLUS Loan) has not earned must be repaid in accordance with the terms of the promissory note, that is, the student (or parent for a PLUS Loan) must make scheduled payments to the holder of the loan over a period of time. Any amount of unearned grant funds is called an overpayment. The amount of a grant overpayment that the student must repay is half of the unearned amount. The student must make arrangements with the College or the Department of Education to return the unearned grant funds.

The calculation of Title IV Funds earned by the student has no relationship to the student’s incurred charges. Therefore, the student may still owe funds to the College to cover unpaid institutional charges.

A leave of absence is treated as a withdrawal and a return of Title IV funds may be calculated. A student may take a leave of absence from school for not more than a total of 180 days in any 12-month period.

The calculation of the Title IV refund will be done by the office of student financial services.

Deadlines for Returning Title IV Funds

The amount of the refund allocated to the Federal Loan and Federal PLUS Program will be returned by the College to the Federal Department of Education within 60 days after the student’s withdrawal dates, as determined by the school.

The amount of the refund allocated to Federal Pell Grant, Federal Iraq and Afghanistan Service Grant, Federal SEOG, and Federal Perkins will be returned by the College to the appropriate federal program accounts within 45 days of the date the student officially withdrew or was expelled, or within 45 days of the date the College determined that the student had unofficially withdrawn.
The amount of the refund, if any, allocated to the student will be paid within 45 days of the student's withdrawal date or, if the student withdrew unofficially, the date that the dean’s office determined that the student withdrew.

Treatment of College Grants When a Student Withdraws

The amount of College grant funds a student will retain is based on the percentage of the period of enrollment completed.

Treatment of State Grants When a Student Withdraws

The amount of the state grant funds a student will retain is based on the individual refund policy prescribed by the issuing state.

FINANCIAL AID

For general information about financial aid and how to apply for financial aid, consult the Student Financial Services website at www.brynmawr.edu/sfs. Detailed information about the financial aid application and renewal process, types of aid available and regulations governing the disbursement of funds from grant and loan programs, can be found in the Student Financial Services Handbook, which is updated and published annually, and posted to our website.

The education of all students is subsidized by the College because their tuition and fees cover only part of the costs of instruction. To those students well qualified for education in the liberal arts and sciences but unable to meet the College fees, Bryn Mawr is able to offer further financial aid. Alumnae and friends of the College have built up endowments for scholarships; annual gifts from alumnae and other donors add to the amounts available each year. More than 75% percent of undergraduate students in the College receive financial aid. The amount of grant aid awarded by Bryn Mawr to students ranges from $2,000 to $56,012.

Initial requests for financial aid are reviewed by Student Financial Services and are judged on the basis of the student and family’s demonstrated financial need. Students must reapply each year. Eligibility is re-established annually, assuming the student has maintained satisfactory progress toward the degree.

Bryn Mawr College subscribes to the principle that the amount of aid granted a student should be based upon documented financial eligibility. When the total amount of aid needed has been determined, awards are made in the form of grants, loans and jobs.

Bryn Mawr Merit Scholarship

Students admitted to Bryn Mawr College as first-year, first-time students are automatically considered for the Bryn Mawr Merit Scholarship; no additional application is required. Applicants are evaluated using Bryn Mawr’s holistic admission review process, which takes numerous factors into account including but not limited to academic coursework and performance, involvement in school and community, leadership qualities, standardized test scores, letters of recommendation, quality and content of writing, and potential to contribute in meaningful ways to the Bryn Mawr community.

Students may receive a Bryn Mawr Merit Scholarship even with no demonstrated financial need. Merit scholarships may be awarded to U.S. citizens, permanent residents, and international students. In past years, awards have ranged from $8,000-$20,000 per year. Scholarships are awarded at the time of admission, and are renewable each year for up to four years as long as the student remains in good academic standing with the College. Bryn Mawr Merit Scholarship, in conjunction with other sources of financial aid and entitlements, cannot exceed the cost of attendance.

In addition to the funds made available through College resources, Bryn Mawr participates in the following Federal Student Assistance Programs:

- The Federal Direct Loan Program: Low interest federal loans for undergraduate students.
- The Federal Direct PLUS Loan: Low interest federal loans for parents of dependent undergraduates.
- The Federal Perkins Loan: A low-interest federal loan for undergraduates with federal need.
- The Federal Work-Study Program: This program provides funds for campus jobs for students who meet the federal eligibility requirements.
- The Federal Pell Grant: A federal grant awarded to undergraduates who have not earned a bachelor’s degree and who demonstrate a level of financial need specified annually by the Department of Education
- The Federal Iraq and Afghanistan Service Grant: For students who are not eligible for Pell Grant but whose parent or guardian was a member of the U.S. armed forces and died as a result of service performed in Iraq or Afghanistan after September 11, 2001.
- The Federal Supplemental Educational Opportunity Grant (FSEOG): A federal grant for undergraduates with exceptional financial need. Priority is given to students who receive Federal Pell Grants.
Instructions to apply for financial aid are included in the Admissions Prospectus and on the Student Financial Services web page at www.brynmaw.edu/sfs.

Applicants may apply and will be considered for federal aid, including the Federal Direct Loan Program, every year regardless of applying for aid as a freshman.

Only students who were awarded aid upon entrance to the College are eligible for college grant and loan support in subsequent years at Bryn Mawr.

For a list of scholarship funds and prizes that support the awards made, see the scholarship funds page. These funds are used to enhance Bryn Mawr’s need-based financial aid program. They are not awarded separately. For information on loan funds, see the loan funds page.

complete the Free Application for Federal Student Aid (FAFSA) and be enrolled at least half time (two units). Loans made through this program include the Direct Subsidized and the Direct Unsubsidized Loans.

Repayment begins six months after the student is no longer enrolled at least half-time at an accredited institution. The repayment term ranges from 10 to 25 years depending on the amount borrowed and the repayment plan chosen. The minimum monthly payment is $50. If the student borrows a smaller amount, the student will have shorter payment terms. If the student borrows a larger amount, the student may wish to consolidate the loan to extend the repayment term. The student should review options at www.ed.gov/ DirectLoan.

Interest rates on federal student loans are set by Congress. Under the Bipartisan Student Loan Certainty Act of 2013 federal student loan interest rates are tied to financial markets. Under this Act, interest rates will be determined each June for new loans being made for the upcoming award year, which runs from July 1 to the following June 30. Each loan will have a fixed interest rate for the life of the loan. Interest rates can be viewed at www2.ed.gov/offices/OSFAP/DirectLoan/student.html.

Loan fees will be deducted proportionately from the gross amount on all Federal Direct Loans. The amount of loan funds the student receives is less than the amount borrowed, but the student is responsible for repaying the entire amount borrowed and not just the amount received. For loans first disbursed on or after December 1, 2013, the loan fee was 1.072%. For loans disbursed after October 1, 2014, the loan fee may be different depending on the across-the-board federal budget cuts known as “sequester” put into place by the Budget Control Act of 2011. The Department of Education will notify borrowers of fee changes.

Additional information on the Federal Direct Loan Program is available from Student Financial Services or the Student Financial Services Handbook.

Perkins Loan

The Perkins Loan Program is administered by the College from allocated federal funds. Eligibility for a Perkins Loan is determined through a federal needs test. The 5% interest rate and repayment of the loan begin nine months after graduation, withdrawal from the College or dropping below half-time status. No interest accrues on the loan until repayment begins. There are no loan fees for Perkins Loans. Cancellation and deferment of loan payments are possible under certain circumstances, which are detailed in the loan promissory note. Awards range from $500 to $4,000 per year and are based on financial eligibility and the availability of funds.

Federal Direct PLUS Loan

The Federal Direct PLUS Loan is a federally subsidized loan program designed to help parents of dependent undergraduates pay for educational expenses. Parents and their dependent child must be U.S. citizens or eligible noncitizens, must not be in default on any federal education loans or owe an overpayment on a federal education grant, and must meet other general eligibility requirements for the Federal Student Aid programs. Parent PLUS Loan borrowers cannot have an adverse credit history (a credit check will be done).

Repayment begins on the date of the last disbursement. Parent PLUS loan borrowers whose funds were first disbursed on or after July 1, 2013 have the option of delaying their repayment on the PLUS loan either 60 days after the loan is fully disbursed or six months after the dependent student is not enrolled at least half-time. During this time, interest may be paid by the parent or capitalized.

Interest rates on PLUS loans are set by Congress. Under the Bipartisan Student Loan Certainty Act of 2013 federal loan interest rates are tied to financial markets. Under this Act, interest rates will be determined each June for new loans being made for the upcoming award year, which runs from July 1 to the following June 30. Each loan will have a fixed interest rate for the life of the loan.

A loan fee that is a percentage of the principal amount of the loan will be deducted from the gross amount on the Federal Direct PLUS Loan. The amount of loan funds the parent receives is less than the amount borrowed, but the parent is responsible for repaying the entire amount borrowed and not just the amount received. For loans first disbursed on or after December 1, 2013, the loan fee was 4.2882%. For loans disbursed after October 1, 2014, the loan fee may be different depending on the across-the-board federal budget cuts known as “sequester” put into place by the Budget Control Act of 2011. The Department of Education will notify borrowers of fee changes.

International Loan

The International Loan Program is administered by the College from institutional funds to students who are not U.S. Citizens or U.S. Permanent Residents, and must be awarded as part of a student’s aid offer. Recipients must remain enrolled at the College at least half time to retain eligibility. The 5% interest rate and repayment of the loan begin 12 months after graduation, withdrawal from the College or dropping below half-time status. No interest accrues on the loan until repayment begins. The maximum repayment period is 10 years. Students who file for bankruptcy may still be required to pay back the loan. Students may not borrow more than the amount offered as part of a financial aid award from year to year.
