The mid-term is self-scheduled. Copies of the exam will be at the Reserve Desk in Collier Science Library. When you are ready to take the exam, pick up a copy from the Reserve Desk and sign the check-out to indicate you have taken a copy of the exam.

You may have up to 3 hours to take the exam from the time you start. You should take the exam anytime after noon on Wednesday November 18th and must finish and hand in the exam by noon on Wednesday November 25th.

The rules for taking the exam are similar to for the quizzes. You should take the exam in the library, or in case the library is not open for the full next 3 hours, you may take the exam in a classroom where you will not be disturbed.

YOUR ARE ALLOWED TO WRITE NOTES ON ONE SIDE OF A 3X5 INDEX CARD and use this index card during the exam. You must show your index card to Professor Donnay and have him initial the card before you take the exam. No other outside materials such as books or notes are allowed. Do not use outside sheets of paper; use the back of the sheets of the exam packet if you need more space.

You are allowed to use and will need a calculator.

When you are done, immediately return the exam to Professor Donnay’s office. If he is not in, put the exam under his door. Sign the sheet outside my door to indicate that you have returned the exam.

My signature below certifies that I understand the rules for the exam:

: The exam is to be taken during a block of time not exceeding 3 hours starting at noon on Wednesday November 18th and finishing no later than noon on Wednesday November 25th.
: The exam is to be taken in Collier Science Library or if the library is not open for the 3 hours, in a classroom where I will not be disturbed.
: The exam is closed book so I may not use any books or notes except for notes that I write on one side of a 3x5 index card. I must have this index card signed by Professor Donnay before I take the exam. I am allowed and expected to use a calculator.
: The exam is to be returned to Park 330, under the door if the office is closed, immediately after the exam is over.
