ASSOCIATION OF INTERNATIONAL STUDENTS

The Association of International Students aims to provide a support network for international students and to increase campus awareness of international issues. All members of the bi-college community are welcome.

Earlier, AIS was known as the International Student Association (ISA) but in 1997 its name was changed to AIS.

The AIS Board organizes events and would love to hear from you. If you have any ideas, or want help with something, feel free to contact any member of the board.
