Catering Policies and Procedures

Reservations and Event Scheduling
Reservations should be made at least five business days prior to the date of the event. Please have available the following information: date, time and location of the event, number of guests expected (or estimate*), purpose of the event, menu and the name of person and department responsible for charges. (space can be reserved by calling Conferences & Events at 610-526-7329 or online at http://ems.ais.brynmawr.edu/virtualemsprofessional/). As always we will do our best to service your event, though we will not be able to guarantee availability of all menu items with less than five business days notice.

**There is a surcharge for requests for service with less than five business days notification. The surcharge will be a minimum of sixty dollars ($60.00), or twenty per cent (20%) of the cost of the requested service, whichever is the greater. This surcharge is necessary as service requests with insufficient notice, incur additional costs to accommodate the request.

Requests for Catering can be made by contacting Wyndham Catering at 610-526-5234, or catering@brynmawr.edu during regular business hours, Monday through Friday, 9 am - 5 pm.

Estimates and Guarantees
For proper planning, an approximate number of guests or “estimate” for any function is required at the time of reservation. A guaranteed count, upon which charges will be based, is required for all functions, by noon, 3 business days prior to the event. For functions held on Saturdays, Sundays or Mondays, we request that the guarantee be made by noon on the preceding Wednesday. The estimate will become the guarantee should no guarantee be submitted by the deadline. Any menu changes should be requested at this time and will be accommodated as possible. Changes that result in additional costs will be communicated at this time.

We will be happy to accommodate additions to your menu and/or increases to your guarantee after the guarantee has been submitted, but please be aware, menu selections may be limited to availability.

*Please plan your event so you can provide us with the best estimate possible at time of reservation. Preparations take place the moment you submit your reservation. Planning includes rental of equipment, ordering of food ingredients and scheduling of staff. Your guarantee should not be more than 20% greater or less than the estimate provided at time of reservation. Guarantees exceeding this amount can result in additional fees or charges.

Cancellations
To insure that no charges are levied, cancellations must be made 48 hours prior to the event. Cancellations after this period may result in charges to cover costs incurred. In situations where special items have been ordered or prepared for your event, a charge may be applied. Cancellations of events booked within seventy-two hours may incur a charge to cover costs for any food or labor incurred in the processing of your order. If the College is closed due to bad weather at the time of your event, all catering events are cancelled automatically and no charges will be levied.
Service Options

Standard Service
Most services described in this brochure are offered as self-service buffets (except where noted) with linen tablecloths for buffet tables, paper supplies, and plastic service ware. Our full service menu items include delivery of all food, equipment and supplies, set up, break down, clean up and removal of all remaining food, equipment, supplies and trash. Additional services such as servers, full linen service, china, glassware and rental equipment are also available at an additional cost. If service personnel are not present with the service, the client will be responsible for the safekeeping of catering service equipment until Catering returns to pick it up. Some services require service personnel, usually related to the size of the group of guests, what is being served or the type of service requested. If service personnel are necessary, the charge will be billed at our Attendant rates (see Other Services).

Tables and chairs are provided and available to service your event. Most services include this as part of the charge. Should special or additional tables, chairs or equipment be requested or required, we will make arrangements for an additional charge.

Back Door Catering
Perhaps you are interested in a more casual affair or would like to pick up one of our convenient meals to take home. A special list of menu options is available for “pick up service” where we will provide you with all you need in disposable “to go” packaging at a significant savings off our standard service prices. Please inquire at time of order, if this level of service better suits your needs.

Boxed Meals are designed as an "on-the-go" option. If you choose to purchase boxed meals but serviced at a location on campus, an additional Boxed Lunch Eat-In fee will be charged. This includes set up of a table for the meals, trash can for your disposables, and pick up of trash, catering equipment and supplies. There is a minimum fee of $25 for orders 50 and under. For orders 51 and more, the charge will be .50 per person up to a maximum of $50.

Deliveries
There is no additional charge for delivery of any of our full service menu items, to any building on campus. Orders under $60.00 will incur a minimum delivery charge of $35.00. Requests for services in Thomas Great Hall and other locations that require additional time due to accessibility may incur additional service fees. Fees depend on the service as each service varies in necessary equipment and supplies.

Equipment
Equipment delivered with a function, not attended by a Catering staff member must be left and secured in the same room to which it was delivered. It should not be moved to another room or area without notifying Catering. If equipment is missing at the time of pick-up listed on the event order, the event will be assessed a charge for the replacement value of that item. The client is responsible for returning equipment for pick-up orders.
It may sometimes be necessary to leave catering equipment in a room overnight to avoid costly labor charges. This arrangement must be made with Catering at time of order. It is the client’s responsibility to leave all equipment in a secured area. Any missing equipment will be billed to the client at full replacement value.
Quantities
Quantities for menu items sold “per person” are based on average consumption. We commit to providing quantities for the number of guests guaranteed. We will prepare an additional 5% over the guaranteed number of guests. This is done to help ensure there will be enough to cover the number of guaranteed guests or unexpected additions. Catering will bill for the guaranteed number of guests or the actual number of guests in attendance whichever is greater.

In some cases, food and beverages are ordered by specific quantity. We will recommend an amount based on experience and average consumption. Service personnel, quantities, and set-ups needed to satisfactorily serve a group will be agreed upon mutually. These services do not include a buffer. We will prepare and provide the amount requested.

Food not consumed at the end of a service is the property of Wyndham Catering. Any remaining food or beverages will be removed by Catering at clean up and cannot be left, re-used or moved to another location. This is to ensure safe food handling practices and proper disposal of food beyond the limits of safe consumption.

Time of Service
Time of service should be defined at time of reservation. “Time of Service” should reflect time that food service is requested. Catering should be made aware of any meetings, speakers or any other activity that would occur preceding, during or following the time food service is requested. This may affect our ability to properly set-up, serve and/or clean up your event.

We generally plan and provide quantities of food and service for:

- up to 1 1/2 hours for Breaks and Self-Service Meals
- up to 2 hours for All Sit-Down Served or Buffet Menus

Food, Beverages and Service are provided based on this length of time. There may be additional charges if additional time is needed to service your event.

Flowers & Centerpieces
Flowers and centerpieces may be provided by the client. Client should notify at time of reservation so space on the table can be allotted. Tealights are available for a nominal charge and can be requested with the reservation.

Cakes
Should you desire a special cake not provided by us, we are happy to serve it. A cake cutting fee will be applied.
**Liquor Policy**

Alcoholic beverages are provided by the client. Service of your selections will be provided by our trained staff. Your event will be assessed charges for bartenders and a service charge for bar set-ups (full bar set-up, or beer-wine-soda set-up) according to prescribed standards based on number of attendees.

Bryn Mawr College does not allow for the on-site sale of alcohol to individuals in any circumstances. This prohibition includes: drink tickets or paid admission. Alcohol may not leave or be removed from the area where the event is being serviced. Groups that provide their own alcohol are responsible for delivering it to Bryn Mawr College 2-3 days prior to the event. The date should be agreed and arranged at the time of reservation. Any unused liquor, beer, or wine will be returned to the customer at the end of the function.

Alcoholic beverages will not be served to anyone under age 21 nor to anyone who is visibly intoxicated. Except in limited situations, alcoholic beverages must be served in a controlled area and served by trained bartenders. All PLCB rules and regulations regarding age and intoxication will be adhered to.

**Bryn Mawr College Departments**: The College’s inventory of liquor is available for your event. We will serve the house brand and what is in inventory unless otherwise specified. You may inquire at time of order, of the current house brand. The event will be charged, at cost, for any opened bottles. Clients who prefer an alternative brand, may purchase on their own. Fees for handling and service will apply.

**Fixed Cost for Alcohol** Prices on Other Services page

**Billing and Payment**

**Clients with Bryn Mawr College Account Codes**: Upon completion of the event, charges for your event will be finalized and a journal entry will be prepared charging the account code you provided at time of order. You will be sent an itemized account of those charges. The authorized signature provided at confirmation of the event will serve as authorization of the journal entry transfer.

**Clients Without BMC Account Codes**: A 50% deposit is required at time of reservation with the remaining balance due prior to service. Payment can be made by check or credit card (Visa, MasterCard, AMEX, Discover). Checks should be made payable to Bryn Mawr College Wyndham Catering.
