Catering Policies and Procedures

Reservations and Event Scheduling
Reservations should be made at least five business days prior to the date of the event. Please have available the following information: date, time and location of the event, number of guests expected (or estimate*), purpose of the event, menu and the name of person and department responsible for charges. (space can be reserved by calling Conferences & Events at 610-526-7329 or online at http://ems.ais.brynmawr.edu/virtualemsprofessional/). As always we will do our best to service your event, though we will not be able to guarantee availability of all menu items with less than five business days notice.

*Please plan your event so you can provide us with the best estimate possible at time of reservation. Much planning on our part takes place the moment you submit your reservation. Our planning includes rental of equipment, special ordering of food items and ingredients and scheduling of staff. Your guarantee should not be more than 25% greater than the estimate provided at time of reservation. Guarantees exceeding this amount can result in additional fees or charges.

There is a surcharge for requests for service with less than five business days notification. The surcharge will be a minimum of fifty dollars ($50.00), or twenty per cent (20%) of the cost of the requested service, whichever is the greater of the two amounts. This surcharge is necessary as event requests with insufficient notice, incur additional costs to accommodate the services.

Requests for Catering can be made by contacting the Dining Service office at 610-526-7400 during regular business hours, Monday through Friday, 9 am - 5 pm.

Guarantees
For proper planning, an approximate number of guests or “estimate” for any function must be given at the time of reservation. A guaranteed count, upon which charges will be based, is required for all functions, by noon. 3 business days prior to the event. For functions held on Saturdays, Sundays or Mondays, we request that the guarantee be made by noon on the preceding Wednesday. The estimate will become the guarantee should no guarantee be submitted by the deadline. Any menu changes should be requested at this time and will be accommodated as possible. Changes that result in additional costs will be communicated by the caterer at this time.

We will be happy to accommodate additions to your menu and/or increases to your guarantee after the guarantee has been submitted, but please be aware, menu selections may be limited to availability.

Cancellations
To insure that no charges are levied, all cancellations must be made 48 hours prior to the event. Cancellations after this period may result in charges to cover costs incurred. Cancellations of events booked within seventy-two hours will incur a minimum charge of twenty-five dollars. If the College is closed due to bad weather at the time of your event, all catering events are cancelled automatically and no charges will be levied.
Service Options

Standard Service
Most services described in this brochure are offered as self-service buffets (except where noted) with linen tablecloths for buffet tables, paper supplies, and plastic service ware. Our full service menu items include delivery of all food, equipment and supplies, set up, break down, clean up and removal of all remaining food, equipment, supplies and trash. Additional services such as servers, full linen service, china, glassware and rental equipment are also available at an additional cost. If service personnel are not required, the client will be responsible for the safekeeping of catering service equipment until Catering returns to pick it up. Some services require service personnel, usually related to the size of the group of guests, what is being served or the type of service requested. If service personnel are necessary, we will bill at our attendant rates (see Other Services).

Tables and chairs are provided and available to service your event. Should special tables, chairs or equipment be requested or required, we will make arrangements at an additional charge.

Back Door Catering
Perhaps you are interested in a more casual affair or would like to pick up one of our convenient meals to take home or to your office. Back Door Catering is available for “Pick Up Service” where we will provide you with all you need in disposable “To Go” packaging at a significant savings off our standard service prices! Please inquire at time of order, if this level of service better suits your needs. A listing of our offerings is available at http://www.brynmawr.edu/dining/documents/BackDoorCateringMenuFall2008-1.pdf

Deliveries
Deliveries of any of our full service menu items, to any building on campus, are free of charge. However, we do require a minimum order of $50.00 for free delivery. Orders for less than our minimum will incur a minimum delivery charge of $25.00.

Equipment
Equipment delivered with a function, not attended by a Catering staff member must be left and secured in the same room to which it was delivered. It should not be moved to another room or area without notifying Catering. If equipment is missing at the time of pick-up listed on the event order, the client that ordered the event will be charged for replacement value of that item. The client is responsible for returning equipment for pick-up orders.

It may sometimes be necessary to leave catering equipment in a room overnight to avoid costly labor charges. This arrangement must be made with Catering at time of order. It is the client’s responsibility to leave all equipment in a secured area. Any missing equipment will be billed to the client at full replacement value.

Quantities
Quantities for menu items sold “per person” are based on average consumption. We commit to providing quantities for the number of guests guaranteed including a buffer of 5% over the guaranteed number of guests. This is done to help ensure there will be enough to cover the number of guaranteed guests or unexpected additions. Catering will bill for the guaranteed number of guests or the actual number of guests in attendance whichever is greater.

In some cases, food and beverages are ordered by specific quantity. We will recommend an amount based on experience and average consumption. Service personnel, quantities, and set-ups needed to satisfactorily serve a group will be agreed upon mutually. These services do not include a buffer. We will prepare and provide the amount requested.

Food not consumed at a function is the property of Catering and is not permitted to leave the event.
Time of Service
Time of service should be defined at time of reservation. “Time of Service” should reflect time that food service is requested. Catering should be made aware of any meetings, speakers or any other activity that would occur preceding, during or following the time food service is requested. This may affect our ability to properly set-up, serve and/or clean up your event.

We generally plan and provide food and service for:

- **up to 1 1/2 hours for Breaks and Self-Service Meals**
- **up to 2 hours for All Sit-Down Served or Buffet Menus**

Food, Beverages and Service are provided based on this length of time. There may be additional charges if additional time is needed to service your event.

Flowers & Centerpieces
Flowers and centerpieces may be provided by the client. Client should notify at time of reservation so space on the table can be allotted. Tealights are available for a nominal charge and can be requested with the reservation.

Alcohol
Alcoholic beverages can be provided by the client. We will provide service of client provided beverages for a fee (see Other Services). Alcohol must be delivered to us 2-3 days prior to the date of the event. The date should be agreed and arranged at time of reservation.

Except in limited situations, alcoholic beverages must be served in a controlled area and served by a trained bartender. Alcoholic beverages will not be served to anyone under age 21 nor to anyone who is visibly intoxicated. If alcoholic beverages are served when the group in attendance includes students who are under 21, a bartender must be used to serve the alcoholic beverages and check ID’s if necessary.

Alcohol may not leave or be removed from the area where the event is being serviced. Alcohol may not be sold or charged at any event or any part of the event at which alcohol is being served. This prohibition includes: drink tickets, paid admission. Any unused liquor, beer or wine will be returned to the customer at the end of the function.

Events for College Departments: The College’s inventory of liquor is to be used at the discretion of the President’s Office, the Provost, the Chief Advancement Officer and the Treasurer. Anyone else wishing to use this inventory may only do so with the permission of one of these officers. The event will be charged, at cost, for any opened bottles.

Billing and Payment

**Clients with Bryn Mawr College Account Codes:** Upon completion of the event, charges for your event will be finalized and a journal entry will be prepared charging the account code you provided at time of order. You will be sent an itemized account of those charges. The authorized signature provided at confirmation of the event will serve as authorization of the journal entry transfer.

**Clients/Customers Without BMC Account Codes:** A 50% deposit is required at time of reservation with the remaining balance due prior to service. Payment can be made by check or credit card (visa, mastercard, AMEX, Discover). Checks should be made payable to **Bryn Mawr College Dining Services**.
