2017-2018 Noncustodial Parent Waiver Petition

Student Name: ___________________________ Bryn Mawr College ID: _______________________

College policy requires financial information from both parents, whether never married, separated or divorced, to
determine need for Bryn Mawr Grant. If you have special circumstances that warrant consideration of a waiver, you must
complete this form in full, providing three statements with attached documentation as detailed below.

The information you provide will be reviewed by a committee when it is determined to be complete and you will be
informed if a waiver is possible under College policy. Submission of this application does not guarantee that your request
will be approved.

Three signed and dated statements providing detailed information regarding your special circumstances. One letter should
be from the student and/or custodial parent. Others providing documentation must have first-hand knowledge of your
situation and include relationship to the student, name, a signature and phone number.

Provide a statement from the student and/or custodial parent explaining in detail why it is impossible to provide
noncustodial parent information. Documentation is required to substantiate your situation: court documents, police reports, restraining orders.

Provide statements from third parties close to the student’s situation explaining in detail why it is impossible to
provide noncustodial parent information (high school counselor, doctor, mental health professional, social worker,
attorney, clergy, law enforcement). This must be on letterhead with original signature.

Types of waiver requests that may be considered:
- Documented abuse situations with your noncustodial parent
