FINANCIAL AID INFORMATION FOR GRADUATE STUDENTS
Bryn Mawr College believes that the student has the primary responsibility for financing the costs of education. Financial aid is intended to supplement the resources of the student to meet the expenses of a Bryn Mawr education and is administered on the basis of demonstrated eligibility. To meet your eligibility for assistance, the Office of Financial Aid uses funds from federal, institutional, state, and alternative sources. As stewards of these funds, we must comply with the regulations specified by these funding sources to ensure our continued ability to participate in these programs.

DETERMINATION OF ELIGIBILITY
Eligibility for graduate grants at Bryn Mawr College is determined by Admissions and your graduate school (see Sources of Financial Aid).

The Office of Financial Aid determines eligibility for federal loans. To be eligible for federal funds, you must be a U.S. citizen, a U.S. national, or a U.S. permanent resident with an I-551 or I-551-C Permanent Resident Card; meet satisfactory academic progress standards; certify that you are not in default on a federal student loan and do not owe a refund; comply with Selective Service registration. The law suspends eligibility if you are convicted under federal or state law of selling or possessing illegal drugs.

Financial need is determined by subtracting your expected family contribution (EFC) from your cost of attendance (COA). This is the maximum amount of need-based financial aid you may receive. The EFC is the amount you (and your spouse) are expected to contribute toward educational expenses. The EFC is determined by a U.S. Department of Education formula and is calculated from the information you provide on your Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov. Factors used in determining the EFC include earned and unearned income, savings and assets, family size, and number of family members attending college. The COA is an estimate of your educational expenses for one academic year. It includes tuition and fees, books and supplies, and a living allowance, which includes a small percentage for transportation. Other costs are included when appropriate. COA is adjusted to reflect your billing enrollment status and if you attend for only one semester.

AS AN EXAMPLE, A REGULAR FULL-TIME GRADUATE STUDENT’S ESTIMATED COA FOR THE 2019–20 SCHOOL YEAR MAY INCLUDE:

<table>
<thead>
<tr>
<th>COA FALL/SPRING</th>
<th>ARTS &amp; SCIENCES 6 UNITS</th>
<th>SOCIAL WORK 10 UNITS (MSS)</th>

The Bryn Mawr College Bookshop offers a tool to help students compare bookshop prices alongside online sites. Students can find this tool at the website: http://brynmawr.verbacompare.com/.

VERIFICATION
Verification is the process of ensuring that the data listed on your application is accurate. Students selected for federal verification are notified by the Department of Education upon completion of the FAFSA. To satisfy federal verification requirements, a verification worksheet must be completed, tax data must be confirmed with the IRS, and conflicting information must be resolved. The Verification Worksheet is sent to your Bryn Mawr email by the Office of Financial Aid. IRS tax data confirmation may be accomplished by using IRS Data Retrieval described below. Students selected for verification must submit required documentation to receive federal aid.

IRS DATA RETRIEVAL
IRS Data Retrieval is a faster way to provide tax information for the FAFSA. When completing the FAFSA you will be prompted to link to the IRS website. The retrieval process has been enhanced to ensure security and privacy of tax-related data, therefore, the actual values of the imported data will not be visible to you. However, the data will be transferred to your FAFSA and made viewable for financial aid officers. IRS Data Retrieval simplifies the verification process.

CONFLICTING INFORMATION
Bryn Mawr College Office of Financial Aid must resolve conflicting information, even if the student is not selected for verification, before federal aid can be processed and disbursed. Conflicting information could include, but is not limited to: number of household members,
number in college, marital status, tax filing status, etc. Conflicting information may require a reevaluation of your prior year’s federal financial aid award.

SELECTIVE SERVICE
The Selective Service System (SSS) is a government agency that maintains information on those potentially subject to military conscription, commonly known as the draft. Most male U.S. citizens and male immigrant non-citizens ages of 18-25 are required by law to have registered within 30 days of their 18th birthdays. Any man required to register with Selective Service at any time must have done so to receive federal student aid. Male students may register by answering the question on the FAFSA; online at the Selective Service website (www.sss.gov); or by filling out a form available at the post office. Students who cannot confirm registration must either register or provide proof of exemption. Students who have questions about Selective Service registration may contact the Selective Service at 1-847-688-6888 or at www.sss.gov.

DRUG CONVICTIONS
Students completing the FAFSA will encounter the question: “Have you been convicted for the possession or sale of illegal drugs for an offense that occurred while you were receiving federal student aid?” Students who answer “Yes” will be asked an additional series of questions to determine if the conviction affects their eligibility for federal student aid.

Students convicted of a federal or state offense of selling or possessing illegal drugs that occurred while they were receiving federal student aid are advised to still complete and submit the FAFSA to determine if they will be eligible for any type of aid. Students who leave the question blank cannot receive federal financial aid until they respond by making a correction to their FAFSA.

A student who has been convicted of possession or sale of illegal drugs loses Title IV eligibility for a period of time specified in law. The period of ineligibility depends on whether the conviction was for possession or sale of (including conspiring to sell) illegal drugs.

For information on periods of ineligibility and how to regain eligibility, please visit our website at www.brynmawr.edu/financial-aid/policy/policy-drug-convictions-and-fafsa.

SATISFACTORY ACADEMIC PROGRESS
Satisfactory Academic Progress (SAP) is the successful completion of degree requirements. Progress toward the degree is required by Bryn Mawr as well as by the federal government for any student receiving federal financial aid. The Deans of the respective graduate programs measure SAP. Bryn Mawr’s standards and requirements are defined in the graduate handbooks at the following website locations:

NOTIFICATION OF ELIGIBILITY
Financial Aid award notifications are sent to eligible students. This notification details the amounts and types of aid offered to you. Your enrollment is verified after the second week of classes. Enrollment that differs from the enrollment listed on the original award notification may require that financial aid awards be adjusted. Adjustments to awards may impact your bill. A revised award notification will be sent to you if adjustments are made to awards, verification results in corrections, or if additional aid becomes available.

ACCEPTANCE OF AWARDS
Review of your Student Account is recommended before acceptance of awards. Go to BiONiC at bionic.brynmawr.edu and click the View Student Account link. Then click the View Financial Aid link to take action on your financial aid. Important financial aid information is listed, including how to accept, reduce, or decline loan offers. Bryn Mawr assumes all students will accept grant awards and, therefore, grant awards are automatically accepted. Students accepting federal loan offers for the first time at Bryn Mawr must complete a Master Promissory Note (MPN) and Entrance Loan Counseling.

FINANCIAL AID SELF-SERVICE
Students can view their current financial aid application and award information through BiONiC. By using your Bryn Mawr College user ID and password, you can access your Financial Aid “To Do List” and check your awards. Students awarded federal loan funds must accept, decline, or reduce them online.
Financial Aid To-Do List

• Log in to BiONiC.
• Access Student Self-Service.
• Click on Student Center and look under the To-Do List section.
• Items listed for financial aid should be submitted to the Office of Financial Aid.

Financial Aid Awards

• Log in to BiONiC.
• Access Student Self-Service.
• Click on Student Center and look under the Finances section.
• Under Financial Aid, click the View Financial Aid link.
• Click the 2019 aid year.
• Read the information provided.

TO ACCEPT/REDUCE OR DECLINE YOUR AWARDS:

• Click the green Accept/Decline button.

DISBURSEMENT OF FUNDS

If you have accepted loan funds offered to you and have funds that exceed your tuition and fees, you will receive a refund. This refund may be used to pay for books and living expenses. Refunds are processed weekly. If you change your enrollment status after the receipt of a refund check, you may be required to return all or a portion of the financial aid funds awarded (see the Withdrawal and Refund Policy section). You will be notified if award adjustments have been made. If you do not have enough aid to cover your charges, you must pay the difference immediately to the College or set up a payment plan. E-payment and payment plan enrollment are available via Self-Service at bionic.brynmawr.edu.

SOURCES OF FINANCIAL AID

Grants and scholarships do not have to be repaid. Loans must be repaid with interest.

ARTS AND SCIENCES TUITION GRANTS, FELLOWSHIPS, AND ASSISTANTSHIPS

The Graduate School of Arts and Sciences (GSAS) offers the following forms of assistance as part of the overall financial aid award: fellowships, grants, research assistantships, teaching assistantships, graduate assistantships, tuition awards, and partial tuition awards (awards that offset all or some tuition charges), and summer stipends. If you are interested in GSAS assistance, you can download the applications from the GSAS website www.brynmawr.edu/gsas/Admissions. The Free Application for Federal Student Aid (FAFSA) must also be completed if you are interested in borrowing federal loan funds. You must reapply for GSAS and federal loan assistance each academic year.

SOCIAL WORK GRANTS

Eligibility for grant assistance is determined by GSSWSR Admissions and is based on merit per the information presented in the application for admission. Financial need may also be taken into account. Usually students are funded at the same percentage level of tuition for each year of study. You must reapply for the Social Work Grant and loan assistance each academic year. If awarded a Social Work Grant, Master of Social Service students may receive a grant for a maximum of 18 billing units. Ph.D. students may receive grant for required coursework tuition only. Grant funding is not provided for transfer credit or courses that are waived. Generally grant funds are not awarded for repeat courses.

OUTSIDE ASSISTANCE

Students must report outside assistance to the Office of Financial Aid. This includes employer tuition benefits. These resources must be included when eligibility for financial aid is determined and evaluated.

THE YELLOW RIBBON PROGRAM

The Yellow Ribbon GI Education Enhancement Program is a provision of the Post-9/11 Veterans Educational Assistance Act of 2008. It is a supplement to the “Post GI Bill Benefit in Pennsylvania” also known as Chapter #33 and expands veterans’ higher-education benefits, for participating students. Students applying to Bryn Mawr may also be eligible for additional aid beyond the VA benefit. All VA benefits, including housing allowances and book stipends sent directly to the student, will be considered resources before Bryn Mawr Grant eligibility is calculated. Eligible students admitted to degree programs will be able to take advantage of this benefit pending college approval for the 2019–20 school year. For more information log onto www.va.gov/education/about-gi-bill-benefits/post-9-11/yellow-ribbon-program.
FEDERAL DIRECT LOAN PROGRAM

Bryn Mawr College participates in the Direct Loan Program. When you borrow a federal loan while attending Bryn Mawr, you are borrowing directly from the Department of Education (DOE). Loans made through this program include the Direct Unsubsidized, Direct PLUS, and Direct Consolidation Loans.

A NOTE ABOUT DIRECT “SUBSIDIZED” LOANS:
The Budget Control Act of 2011 discontinued graduate student participation in the Direct Subsidized Loan Program effective July 1, 2012. For periods of enrollment (loan periods) beginning on or after July 1, 2012, graduate students are no longer eligible to receive Direct Subsidized Loans.

Under the Direct Unsubsidized Loan Program, you will be charged interest from the time the loan is disbursed until it is paid in full. If you allow the interest to accrue while you are in school or during other periods of nonpayment, it will be capitalized, that is, the interest will be added to the principal amount of your loan, and additional interest will be based on that higher amount.

Students interested in the graduate Direct PLUS Loan must complete a FAFSA. The maximum amount a student may borrow is the cost of attendance minus other estimated financial assistance for the loan period. At Bryn Mawr, you inform the Office of Financial Aid of the amount you wish to borrow by completing the Graduate Direct PLUS Loan Action Sheet. A graduate or professional PLUS borrower must not have an adverse credit history, therefore, a credit check will be performed.

INTEREST RATES: Interest rates are determined each June for new loans being made for the upcoming award year, which runs from July 1 to the following June 30. Each loan has a fixed interest rate for the life of the loan. For 2018–19 the interest rate was fixed at 6.6% for Federal Direct Unsubsidized Loans and 7.6% for Direct PLUS Loans. In July, borrowers may view interest rates for the 2019–20 academic year at www.studentaid.ed.gov/SA/about/announcements/interest-rate.

OTHER FEES: Students who borrow Direct Unsubsidized Loans, will be charged an origination fee of 1.062% and Direct PLUS borrowers are charged 4.248% for loans disbursed by September 30, 2019. For loans first disbursed on or after October 1, 2019, the loan fee may be different depending on federal budget cuts put into place by the Budget Control Act of 2011. The Department of Education will notify borrowers of fee changes and will provide additional information when the fee amount has been determined.

INTEREST REBATES: An interest rebate is a repayment incentive offered to Direct Loan borrowers by the DOE. This rebate lowers the interest rate and is given up front as an incentive to establish a good repayment relationship with the DOE. To keep the interest rebate, the first twelve required monthly payments must be made on time. If all twelve payments are not made on time, the rebate amount will be added back to the loan account.

DISCOUNTS FOR ELECTRONIC PAYMENTS: You might be able to get a 0.25% rate discount as a repayment incentive for automatic payments. This interest rate reduction is for having payments electronically debited from your bank account and is a rebate given up front. When you make your payments on time you are taking steps toward building a solid credit history. Check with your loan servicer for this discount.

BORROWING LIMITS: The Direct Loan amount on your initial award letter lists your maximum unsubsidized eligibility. You must notify the Office of Financial Aid via bionic.brynmawr.edu Self-Service if you wish to accept, decline, or reduce your loan.

GRADUATE ANNUAL LOAN LIMITS AND TERMS:
Depending on the cost of attendance, graduate students may borrow up to $20,500 annually in an Unsubsidized Loan.

Two terms represent an annual loan period. The Direct PLUS Loan annual limit is determined by student cost of attendance minus other aid received.

BORROWER-BASED LOANS: Borrower-Based Loans (BB) are awarded to eligible students who start the academic year in the Summer. Two terms represent an annual loan period, therefore, a BB loan includes the Summer and Fall terms as one loan period, with the Spring term starting a new loan period. Loans borrowed in the Spring BB Loan period are included in the following Summer term when loan eligibility is being determined.
AGGREGATE LIMIT: The aggregate limit for graduate students is $138,500. No more than $65,500 of this amount may be in subsidized loans.

MASTER PROMISSORY NOTES: All Direct Loan first-time borrowers must sign a Master Promissory Note (MPN). The MPN is a multi-year promissory note good for ten years from the date your first loan is disbursed. Borrowers may complete an electronic MPN (eMPN) at www.studentloans.gov.

 LOAN COUNSELING: All first-time Direct Loan borrowers at Bryn Mawr must complete loan entrance counseling to review your rights and responsibilities as a Direct Loan borrower or as a Direct PLUS Loan borrower before funds can be disbursed. Borrowers must also complete exit counseling prior to graduation or dropping below half-time enrollment. You may satisfy these obligations by logging onto www.studentloans.gov.

 LOAN DISBURSEMENT: Your Direct Loan funds will be electronically transmitted to Bryn Mawr each semester. Student Accounts will notify you when the funds have been credited to your account. If you borrow for a loan period that covers two terms, one-half of your loan proceeds will be credited to your student account in the first term and the remaining half in the second term. If you borrow for one semester, your loan funds may be credited in two separate installments during the term for which you borrowed. However, most one semester loans will be credited in a single installment. Loan fees will be subtracted from your loan. This means that the amount received by the College will be different than what you see on your award notification. The net amount of your loan is what is credited to your student account.

 REPAYMENT: Direct Loan repayment begins 6 months after you cease to be enrolled on at least a half-time basis. The repayment term ranges from 10 to 25 years depending on the repayment plan you choose. When you are entering repayment, you should review your options at www.studentaid.ed.gov/repay.

Repayment for the Direct PLUS Loan begins on the date the loan is fully disbursed. The first payment is due within 60 days after the date the loan is fully disbursed. A PLUS Loan borrower who drops below half-time enrollment is not entitled to a grace period and goes into repayment immediately. PLUS Loan borrowers may receive a deferment while enrolled at least half-time at an eligible institution. Verification of enrollment is performed by the College’s Registrar’s Office and is sent to your lender automatically each term.

GENERAL LOAN REPAYMENT
The federal government provides various ways for you to pay back federal loans based on income rather than amount borrowed. The Office of Financial Aid recommends you work with your loan servicer when choosing a repayment plan.

Comprehensive repayment plans and schedules, along with an interactive calculator, are available at www.studentaid.ed.gov.

PUBLIC SERVICE LOAN FORGIVENESS: These programs were created to encourage students to enter and continue work, full-time, in public service jobs. Remaining balances on federal Direct Program Loans are forgiven after 120 qualifying monthly payments are made, beginning after October 2007. Full-time employment by a public service organization is required at the time of repayment. Qualifying employment is any employment with a federal, state, or local government agency, entity, or organization or a not-for-profit organization that has been designated as tax-exempt by the Internal Revenue Service (IRS) under Section 501(c)(3) of the Internal Revenue Code (IRC). The type or nature of employment with the organization does not matter for PSLF purposes. Additionally, the type of services that these public service organizations provide does not matter for PSLF purposes. A private not-for-profit employer that is not a tax-exempt organization under Section 501(c)(3) of the IRC may be a qualifying public service organization if it provides certain specified public services. These services include emergency management, military service, public safety, or law enforcement services; public health services; public education or public library services; school library and other school-based services; public interest law services; early childhood education; public service for individuals with disabilities and the elderly. The organization must not be a labor union or a partisan political organization. Eligibility and employment requirements should be discussed with your loan servicer and can be explored at: studentaid.ed.gov/sa/repay-loans/forgiveness-cancellation/public-service.
DEFERMENT/FORBEARANCE/ DISCHARGE/CANCELLATION

Under certain conditions, federal regulations allow you to defer loan repayment. The most common deferments are for enrollment on at least a half-time basis, unemployment, and economic hardship. Active and Post-Active military deferments are also available. Complete information about loan deferments will be provided during the entrance and exit counseling process. Additional information can be found online at www.studentaid.ed.gov.

NSLDS: The National Student Loan Data System (NSLDS) is the U.S. Department of Education’s central database for student financial aid records. The secure NSLDS web site, www.nslds.ed.gov, allows you to track and manage your federal student loans from when they are approved until you pay them off. Using your FSA ID (the one you use when completing your FAFSA), you can access this web site 24 hours a day. Please note that loan information at NSLDS is accessible to authorized users at schools and to lender and guaranty agencies.

PRIVATE ALTERNATIVE LOANS

Private loans are non-federal education loans offered by a lender such as a bank or credit union. Students should consider applying for a private loan only after exhausting all other possible sources of funds. Private loans often have variable interest rates, require a credit check, and may have different repayment plans than federal loans. Many lenders require a credit-worthy co-signer. In general, students may borrow up to the cost of education minus all other financial aid received. Students who choose to borrow a private loan must select a lender of their choice and complete the lender’s application process. A list of private lenders used by Bryn Mawr students over the past three years is posted on our website: www.brynmawr.edu/financial-aid/types-aid-1.

FSA OMBUDSMAN GROUP

The Federal Student Aid Ombudsman was created by the Department of Education to help resolve disputes and solve other problems with federal student loans. Website: studentaid.ed.gov/SA/repay-loans/disputes/prepare.

WITHDRAWAL AND REFUND POLICY

Withdrawing from a class or classes may affect the amount of financial aid you are entitled to receive. Financial aid awards are based on the cost and number of units in which you are enrolled per semester, so a change to your enrollment could change your financial aid award. If you intend to completely withdraw, you must submit written notice to your Dean. Bryn Mawr’s refund policy will be applied if you receive institutional funds and withdraw completely from your courses. This policy requires the Office of Financial Aid to determine if a portion of your institutional funds should be returned to the awarding program. NOTE: The College fees are non-refundable. Federal financial aid refund and repayment policies will be applied if you receive federal financial aid funds and withdraw completely from your classes. These federal policies require the Office of Financial Aid to determine if a portion of your financial aid must be returned and/or repaid to the Title IV programs. Per federal regulations, the Return of Title IV Funds Policy will be applied to all students who receive federal financial aid funds and completely withdraw from classes at or before the 60% point of the semester. Students must “earn” the financial aid that is received. The amount of aid earned is determined by the length of time you are enrolled. If you withdraw during the 60% period, you should expect that a portion of your financial aid funds will need to be returned. If you withdraw after the 60% point of the semester, you will have earned 100% of your financial aid funds. If a refund or repayment is required, federal funds will be returned to the programs in the following order: Direct Unsubsidized Loans, Direct PLUS, other Title IV programs.

RENEWING FINANCIAL AID AWARDS

Federal financial aid is not automatically renewed each school year. You must reapply. The Free Application for Federal Student Aid (FAFSA) application is available October 1 of each year. The Bryn Mawr School Code is
Graduate School of Arts & Sciences applications are available in January. The Graduate School of Social Work and Social Research financial aid application is generally available at the end of January.

STUDENT RIGHTS AND RESPONSIBILITIES

STUDENTS HAVE THE RIGHT TO KNOW:
- The Office of Financial Aid location, hours, and counseling procedures.
- The financial aid programs available at Bryn Mawr College.
- The application procedures and deadlines.
- The criteria for selecting financial aid recipients.
- The criteria for determining need.
- The method for determining the amounts and types of awards.
- The costs that were considered in determining eligibility for aid.
- The method and timing of financial aid payments.
- The basis for determining satisfactory academic progress to continue receiving financial aid and what happens when progress is not made.
- The portion of aid that must be repaid, the portion that is grant, and the portion that must be earned through employment.
- If offered a Federal Work Study award, the nature of the job, the required number of work hours, job duties, the pay, and the method and timing of payments.
- Financial aid applications are confidential. Information concerning financial aid applicants will be released only to agencies that require the information for scholarship considerations and only when authorized by the student.

STUDENTS ARE RESPONSIBLE FOR:
- Completing all application forms accurately and submitting them on time to the appropriate place.
- Providing all documentation, verification, corrections, and/or other scholarship information requested by the Office of Financial Aid or other scholarship agencies.
- Reporting enrollment changes to the Office of Financial Aid.
- Reading and understanding all forms that are distributed and retain copies.
- Performing the work that is agreed upon if a work-study position is offered and accepted.
- Reporting name and address changes directly to the Registrar and lenders of all educational loans received.
- When filing U.S. taxes, include as taxable income all grant aid that exceeds the cost of tuition, fees, books, and supplies.

BILLING, PAYMENT, AND STUDENT ACCOUNT RELATED INFORMATION

Self-Service for Student Accounts
Billing statement notifications are sent to students’ Bryn Mawr email addresses with instructions to view their student account via the College’s electronic billing and payment processor, Nelnet Campus Commerce. Students can authorize access to others who may want to view and pay bills online using Self-Service on BiONiC.

To View Student Account, Access Online Payment, and Create Authorize Parties:
- Log in to BiONiC.
- Access Self-Service.
- Click on Student Center and look under the Finances section.
- Click on View Bill/Make a Payment.
- Follow instructions to register self and/or authorize payers (parents, guardians, or sponsors) to receive student bills.

For Authorized Payers (Parents, Guardians, or Sponsors)
- Access NelNet at the following website: www.brynmawr/studentaccounts and click on the Nelnet Authorized Parties link.
- Enter Login and Password provided.
- Follow instructions to provide payment information.

To Authorize Federal Funds to Pay Miscellaneous Charges and to Receive 1098-T Forms Online:
- Under the Finances section (mid-page), click the “other financial” field option on the drop down menu and choose View Student Permissions.
- Click the double arrows to access permissions.

Billing Information and Payment Due Date:
The College electronically bills by semester. An email notification is sent to the student’s Bryn Mawr email
address when a bill is ready to access online. Students retrieve the bill by logging into BiONiC. Students may forward the bill or set up a parent or other third party as an authorized party to view or receive the bill. The College does not send paper bills, but students may print their bill. The College can only send a bill notification to the student’s address due to FERPA regulations:

- Bills for Summer Session I are available the first week of May and payment is due May 14.
- Bills for Summer Session II are available the second week of June and payment is due June 25.
- Bills for Fall semester are available the third week of July and payment is due September 4.
- Bills for Spring semester are available the third week of December and payment is due January 21.

Monthly bills are sent when student accounts have outstanding balances. Participation in registration, pre-registration, graduation, and transcripts are withheld until accounts are paid in full.

**Monthly Payment Plan:**

- Bryn Mawr College contracts with Nelnet Campus Commerce to offer an interest-free monthly payment plan. This option allows monthly payments for a $25 enrollment fee each semester. Payment plans for Summer sessions are not offered.
- To calculate a semester’s payment plan amount, use the Total Amount Due figure on the enclosed worksheet. To determine monthly payments and enroll in the NCC payment plan, log into Student Center via Self-Service, click on View Bill, and select the payment plan option.

**Making Payments:**

- Payment by check should be in U.S. dollars, drawn on a U.S. bank, payable to Bryn Mawr College. Do not post-date checks as the College is unable to hold checks. Be sure to include the student’s College ID number on the check. Make check payable to and mail to:
  
  **BRYN MAWR COLLEGE**
  
  Attn: Controller’s Office-Student Accounts Office
  
  101 North Merion Ave., Bryn Mawr, PA 19010-2899

- Electronic checks (e-checks) and credit cards may be used to pay student account balances through the online payment processor, Nelnet Business Solution’s, which can be accessed via the Student Center in Self-Service or the Nelnet Authorized Party link on [www.brynmawr.edu/studentaccounts](http://www.brynmawr.edu/studentaccounts).

- MasterCard, Visa, Discover, and American Express cards are accepted for payment. A 2.75% fee will apply. The fee is not charged by Bryn Mawr College, and will be reflected as a separate transaction on the credit card statement. The 2.75% fee will never be reflected on a student’s Bryn Mawr College student’s account. Students are able to establish Authorized Parties to pay the bill online. Visit the Student Accounts website at: [www.brynmawr.edu/studentaccounts/making-payments/make-payment-check-or-credit-card/how-authorize-payers](http://www.brynmawr.edu/studentaccounts/making-payments/make-payment-check-or-credit-card/how-authorize-payers).

- Payments from outside the United States should be processed via the Flywire Education website: [www.flywire.com/pay/brynmawr](http://www.flywire.com/pay/brynmawr).

- To wire funds, call (610) 526-5500 for instructions.

**Banking Information:**

- An ATM machine, funded by TD Bank, is located on campus in the Campus Center for student use.

- Bryn Mawr College is located within walking distance to local and national banks.

**UNDERSTANDING THE TUITION BILL**

Students must complete the financial aid application process and accept their aid on BiONiC Self-Service with their username and password before funds can be disbursed to the student account. Estimated awards are not finalized and cannot be disbursed. Financial Aid not yet disbursed may result in an outstanding balance on the student account. Until student accounts are paid in full, participation in registration, pre-registration, graduation, and processing of transcripts are withheld.

Wages earned through Federal Work-Study or campus employment are paid directly to the student on a bi-weekly basis and are not applied toward the bill. Grant and loan funds are disbursed to the student’s account one-half in the fall and one-half in the spring. The earliest that federal grant and loan funds can be disbursed to the student’s account is ten days before the start of classes each term. Federal loan refunds are normally disbursed on the first day of classes.
How Financial Aid Appears on the Bill:

- Students must accept, reduce, or decline their loans online through BiONiC Self-Service using their ID and password.

-GRANTS/SCHOLARSHIPS: Bryn Mawr Grants and Scholarships will be credited prior to billing. State grants and outside scholarships are credited upon receipt of the funds from the state agency or private donor.

-FEDERAL DIRECT LOAN: First-time borrowers must electronically sign a Federal Direct Master Promissory Note (MPN) and complete a Federal Direct Loan Entrance Interview before funds can be credited.

-FEDERAL DIRECT GRADUATE PLUS LOAN: Students must electronically sign a Federal Direct PLUS Master Promissory Note (MPN) before funds can be credited.

-FEDERAL WORK STUDY AND CAMPUS EMPLOYMENT: Wages earned are paid directly to the student on a bi-weekly basis and are not applied toward the bill.

How Payments Appear on the Bill:

- PAYMENT PLANS: If enrolled in the Nelnet Campus Commerce monthly payment plan, each payment is credited to the account as payments are received from NCC. Payment plans are for each semester only.

- Payments made online are posted in real time.

- Payments made in person will normally be posted within 1 business day.

- Payments received via U.S. mail will normally be posted within 1 business day of receipt.

Refunds for Enrolled Students and Title IV Recipients:

A student’s account becomes eligible for a refund when the balance is exceeded by the credits posted to it. Refunds are processed once a week. Refunds resulting from an overage from Title IV aid funds are automatically processed. Refunds resulting from an overage from alternative loan funds or other sources must be requested in writing. Students who prefer to have their available refund amount rolled over to the next semester must submit a written request or indicate it on the Refund Request Form.

Bryn Mawr College provides a permission feature through BiONiC Self-Service to expedite the processing of federal funds relating to student accounts. Granting “Title IV Permission” will authorize federal funds to pay for miscellaneous charges, (health center fees, parking fines, etc.) and therefore, accelerate the payment of bills and any applicable refund.

- Log in to BiONiC.

- Under the Finances section, click the “Other Financial” field.

- Select View Student Permissions.

- Click the double arrows to access permissions.

Refunds can be directly deposited to a bank account. The Direct Deposit Form can be downloaded from www.brynmawr.edu/studentaccounts/refunds-student-accounts-andor-onecard-option, completed and sent to the Controller’s Office.

In conformity with the Civil Rights Act of 1964, as amended, it is also the policy of Bryn Mawr College not to discriminate on the basis of sex in its educational programs, activities or employment practices. The admission of only women in the Undergraduate College is in conformity with a provision of the Act. Inquiries regarding compliance with this legislation and other policies regarding nondiscrimination may be directed to the Equal Opportunity Officer, who administers the College’s procedures, at (610) 526-5275.
BILL VS. FINANCIAL AID WORKSHEET FOR GSSWSR STUDENTS

This worksheet can help determine the estimated amount due the College, or excess financial that will be refunded for the 2019–20 school year. College fees may vary per student.

NOTE: Federal loans are not applied to student accounts until all required forms are completed. Federal loan fees are subtracted by the lender before a loan is credited to the student account, so the amount credited is less than the award amount.
