Class of 2020
Undergraduate Class Presidents

Destiny: When we ran for class presidents we used the slogan “Difficult roads lead to beautiful destinations” to represent the Class of 2020 and the ways in which we’ve dedicated ourselves to the college and this community. We weren’t expecting this road to be extended and it deeply pains us to be standing here without you all but we know that this is not the end. We are honored to be standing here today on behalf of our class and we thank you for trusting us with your last year.

Taysha: Without a doubt, this is one of the hardest times that we are going through. We wanted to take this time to express how proud we are of you seniors and for everything that you have overcome to get to where you are now, regardless of the circumstances. It is a great honor and privilege to be a part of a class filled with so much power and potential, and no amount of social distancing can dampen our shine. Although you could not be here with us today, know that you are in our hearts and with us in spirit.
