RE: Waiver Exams and Transfer Credit

**Waiver Exams:**

Students enrolling in the GSSWSR may waive by written examination certain required courses, with the exception of field instruction, the practice seminars, and the required course on Multiculturalism and Diversity: Advanced Perspectives.

- Students must have satisfactorily completed undergraduate or graduate coursework in the area in which they are taking the waiver exam.
- This coursework must be supported by an official transcript.
- Students receive one unit of credit for any waiver exam that they pass.
- Each course waived through the passage of a waiver exam will reduce by one the number of courses required for the MSS degree.
- Waiver exams must be taken before coursework begins. Semester I exams are open from May 1, 2017 through August 28, 2017. Semester II exams will be open November 1, 2017 through November 8, 2017 only. Students will be reminded of this opportunity by email.

- Students requesting transfer credit must provide a syllabus, an official transcript verifying the course and grade, and any other related materials needed for an assessment to be made by faculty teaching the comparable Bryn Mawr course.
