Saturday, February 6

Sessions start at 10:40 AM and end at 1:35 PM

LILAC
FLASH
LEARNING
EVENT  PART II

Want to get involved? Want to volunteer? Whether you want to work with children, get your hands dirty in the community garden, or participate in a Saturday of Service (just to name a few options...), this is a great way to learn about all the ways you can plug into the community.

Come to just one session, stay for all of them, or pop in and out! Sessions are just 15 minutes long and will be held on Dalton’s ground floor. See the full schedule here:

LILAC Competencies

**Communication**: articulation of thoughts and experiences to influence, inspire and explain

**Conceptual Thinking**: creative search for new ideas and solutions

**Connection**: establish authentic purposeful relationships and collaborate with others

**Cultural Competency**: engage respectfully with people of diverse identities and backgrounds in different contexts

**Implementation**: thoughtful translation of ideas and theories into action

**Reflective Practice**: intentionally synthesizing experiences, both successes and challenges, to make connections, explore meaning and inform future choices

**Social Responsibility**: behaving ethically in relation to the groups and communities of which one is a part

Session Descriptions

**ACLAMO After-School Program - Volunteering Information Session**
Saturday, 11:20 - 11:35 AM

Learn how you can provide coaching and support in reading and homework help for K-8 Latino children at ACLAMO Family Center.
*Competencies: connection, cultural competency, implementation, social responsibility*

**Adelante – Volunteering Information Session**
Saturday, 1:20 - 1:35 PM

Volunteer with this STEM-focused college-bound program that works with middle school students and their parents from the Norristown Area School District. Through this program, students engage in college-prep workshops and STEM-related activities to develop the necessary skills to not only become competitive college applicants but also college graduates.
*Competencies: communication, cultural competency, implementation*

**Ardmore Community Tutoring & Parkway West High School Tutoring - Information Session**
Saturday, 11:40 - 11:55 AM

Are you eligible for Federal Work study through your financial aid package? If so, learn about how you can earn work study funds by tutoring elementary, middle and high school students in reading and math. First year students are ineligible for this program.
*Competencies: connection, implementation, social responsibility*

**Belmont Mentoring - Volunteering Information Session**
Saturday, 12:00 - 12:15 PM

Are you interested in mentoring an elementary school student? Learn more about how BMC students are matched with Belmont Elementary School students for one-on-one mentoring.
*Competencies: connection, cultural competency, implementation, social responsibility*

**BMC Community Garden - Volunteering Information Session**
Saturday, 12:20 - 12:35 PM

Are you interested in gardening and sustainability? Learn more about the BMC Community Garden and how you can help maintain the garden by volunteering at harvesting and planting days each semester.
*Competencies: conceptual thinking, connection, implementation, social responsibility*
Bryn Mawr Buddies - Volunteering Information Session
Saturday, 12:40 - 12:55 PM

Learn how you can be paired with a recent immigrant elementary school student who speaks the same language as you. You'll visit your little buddy once a week at his or her school to help your buddy adjust to life in the U.S. Volunteers must be fluent or native speakers in a foreign language.

*Competencies: connection, cultural competency, implementation, social responsibility*

Saturdays of Service - Volunteering Information Session
Saturday, 12:40 - 12:55 PM

Want to volunteer, but you can't commit to a weekly volunteer project? Learn about opportunities to participate in half-day service projects at various community partner sites throughout the year. These projects take place on Saturday mornings and have been designed for students who are unable to make a weekly, semester-long commitment.

*Competencies: connection, implementation, social responsibility*

Taxes FAQ: What do BMC students need to know about filing personal income taxes?
Saturday, 10:40 - 10:55 AM, 11:00 - 11:15 AM

Do you have a job on campus? Do you need to file your taxes? Come to this FAQ session and learn about the free tax preparation help that's being offered through Civic Engagement.

*Competency: implementation*
