Externally catered events (those not catered by BMC catering) require a contract detailing that a licensed caterer is solely responsible for: set up of event, providing appropriate sanitary equipment, safe service of food within Montgomery County Health Department guidelines & complete breakdown of event including cleaning and trash removal. The caterer must also provide a current proof of liability insurance form. BMC also requires an insurance & indemnification form (located on the BMCDS Catering page) to be signed for each event served by the licensed caterer. Guidelines given for proper health and sanitation procedures upon returned approval of food waiver.
