GOAL SETTING WORKSHEET

SMART Goals

Specific
Use clear and precise language to define the goal. Include details by answering: Who? What? Where? When? Why?

Measureable
Identify how you will track and measure your progress. How will you know when the goal is accomplished?

Attainable / Achievable
Is the goal reasonable to accomplish? Are you aiming too high? Are you challenging yourself enough?

Relevant
Describe what makes the goal worthwhile. How does this goal relate to other longer term aspirations or plans?

Time-bound
Give yourself a time limit, which will encourage better time management and also create a sense of urgency. Set some benchmarks for your action steps.
