THIS NOTICE DESCRIBES HOW HEALTH INFORMATION ABOUT YOU (AS A PATIENT OF THIS PRACTICE) MAY BE USED AND DISCLOSED, AND HOW YOU CAN GET ACCESS TO YOUR INDIVIDUALLY IDENTIFIABLE HEALTH INFORMATION.

PLEASE REVIEW THIS NOTICE CAREFULLY.

A. OUR COMMITMENT TO YOUR PRIVACY

Our Practice is dedicated to maintaining the privacy of your individually identifiable health information (IIHI). In conducting our business, we will create records regarding you and the treatment and services we provide to you. We are required by law to maintain the confidentiality of health information that identifies you. We are also required by law to provide you with this notice of our legal duties and the privacy practices that we maintain in our Practice concerning your IIHI. By federal and state law, we must follow the terms of the Notice of Privacy Practices that we have in effect at the time.

We realize that these laws are complicated, but we must provide you with the following important information:

• How we may use and disclose your IIHI

C. WE MAY USE AND DISCLOSE YOUR INDIVIDUALLY IDENTIFIABLE HEALTH INFORMATION (IIHI) IN THE FOLLOWING WAYS:

The following categories describe the different ways in which we may use and disclose your IIHI.

1. **Treatment.** Our Practice may use your IIHI to treat you. For example, we may ask you to have laboratory tests (such as blood or urine tests), and we may use the results to help us reach a diagnosis. We might use your IIHI in order to write a prescription for you, or we might disclose your IIHI to a pharmacy when we order a prescription for you. Many of the people who work for our Practice — including, but not limited to, our doctors and nurses — may use or disclose your IIHI in order to treat you or to assist others in your treatment. Finally, we may also disclose your IIHI to other health care providers for purposes related to your treatment.

2. **Payment.** Our Practice may use and disclose your IIHI in order to bill and collect payment for the services and items you may receive from us. For example, we may contact the College health plan insurer to certify that you are eligible for benefits (and for what range of benefits), and we may provide the insurer with details regarding your treatment to determine if the insurer will cover, or pay for, your treatment. Also, we may use your IIHI to bill you directly for services and items. We may disclose your IIHI to other health care providers and entities to assist in their billing and collection efforts. We may also send your name and Health Center charges to the Bursar to bill for services not paid for at the time of service.

3. **Health Care Operations.** Our Practice may use and disclose your IIHI to operate the Health Center. As examples of the ways in which we may use and disclose your information for our operations, our Practice may use your IIHI to evaluate the quality of care you received from us, or to conduct cost-management and business planning activities for our Practice. We may disclose your IIHI to other health care providers and entities to assist in their health care operations.

4. **Appointment Reminders.** Our Practice may use and disclose your IIHI to contact you and remind you of an appointment.
Effective Date of this Notice: 4/14/03

5. **Health-Related Benefits and Services.** Our Practice may use and disclose your IIHI to inform you of health-related benefits or services that may be of interest to you.

6. **Research.** Our Practice may use and disclose your IIHI for research purposes in certain limited circumstances. We will obtain your written authorization to use your IIHI for research purposes except when an Internal Review board or Privacy Board has determined that the waiver of your authorization satisfies the following: (i) the use or disclosure involves no more than a minimal risk to your privacy based on the following: (A) an adequate plan to protect the identifiers from improper use and disclosure; (B) an adequate plan to destroy the identifiers at the earliest opportunity consistent with the research (unless there is a health or research justification for retaining the identifiers or such retention is otherwise required by law); and (C) adequate written assurances that the PHI will not be re-used or disclosed to any other person or entity (except as required by law) for authorized oversight of the research study, or for other research for which the use or disclosure would otherwise be permitted; (ii) the research could not practicably be conducted without the waiver; and (iii) the research could not practicably be conducted without access to and use of the PHI.

**E. YOUR RIGHTS REGARDING YOUR IIHI**

You have the following rights regarding the IIHI that we maintain about you:

1. **Confidential Communications.** You have the right to request that our Practice communicate with you about your health and related issues in a particular manner or a certain location. Unless otherwise specified, our communication is usually by phone or campus mail to your on-campus phone or mailbox. When school is not in session or if you do not live on campus, we communicate by phone or mail to your home address we have on record. If this is not acceptable to you, you must make a written request to the Bryn Mawr College Health Center specifying requested method of contact. Our Practice will try to accommodate reasonable requests. You do not need to give a reason for your request. We do not provide confidential information over email without your permission.

2. **Requesting Restrictions.** You have the right to request a restriction in our use or disclosure of your IIHI for treatment, payment or health care operations. Additionally, you have the right to request that we restrict our disclosure of your IIHI to only certain individuals involved in your care or the payment for your care, such as family members or friends. **We are not required to agree to your request;** however, if we do agree, we are bound by our agreement except when otherwise required by law, in emergencies, or when the information is necessary to treat you. In order to request a restriction in our use or disclosure of your IIHI, you must make your request in writing to Medical Director, Bryn Mawr College Health Center, 610-526-7360. Our Practice may charge a fee for the costs of copying, mailing, labor and supplies associated with your request. Another licensed healthcare professional chosen by us will conduct reviews.

4. **Amendment.** You may ask us to amend your health information if you believe it is incorrect or incomplete, and you may request an amendment for as long as the information is kept by or for our Practice. To request an amendment, your request must be made in writing and submitted to Medical Director, Bryn Mawr College Health Center, 610-526-7360. 5. **Accounting of Disclosures.** All of our patients have the right to request an “accounting of disclosures.” An “accounting of disclosures” is a list of certain non-routine disclosures our Practice has made of your IIHI for non-treatment, non-payment or non-operations purposes. Use of your IIHI as part of the routine patient care in our Practice is not required to be documented. For example, the doctor sharing information with the nurse, or the billing department using your information to file your insurance claim. In order to obtain an accounting of disclosures, you must submit your request in writing to Office Manager, Bryn Mawr College Health Center, 610-526-7360. All requests for an “accounting of disclosures” must state a time period, which may not be longer than six (6) years from the date of disclosure and may not include dates before April 14, 2003. The first list you request within a 12-month period is free of charge, but our Practice may charge you for additional lists within the same 12-month period. Our Practice will notify you of the costs involved with additional requests, and you may withdraw your request before you incur any costs.
