**International Health Insurance**

Bryn Mawr College requires all international students (non-U.S. Citizens or Permanent Residents) to enroll in the International Student Health Insurance Plan offered through the College and administered by United Health Care.

**Deposit**

Enrollment Deposit (Non-refundable; paid upon enrollment at Bryn Mawr and applied to fall semester bill).....\$500

**Campus Housing**

As a residential college, students are expected to live in campus housing and participate fully in the College meal plan for all four years. A certain number of students (typically seniors) are approved to live off campus through the campus housing lottery process coordinated through the Residential Life Office.

**Books, Supplies, Transportation, and Personal Expenses**

Students should anticipate annual expenditures for books, supplies, and personal expenses. Current estimates of these indirect costs, which are not billed by the College, are \$1,000 for books and supplies and \$1,000 for personal expenses for the nine-month period. The Bryn Mawr College Bookshop offers a new tool to help students compare bookshop prices alongside online sites. Students can find this tool at the website: <http://brynmawr.verbacompare.com/>.

Travel expenses also add to the cost of education. The College does not offer financial aid to assist with the cost of transportation.

**U.S. Federal Taxation**

Scholarships given to students who are non-resident aliens for tax purposes in excess of qualified tuition and fees will be charged U.S. federal income tax at the rate of 14% unless the student is eligible for and has elected a tax treaty exemption. The tax will appear on the student’s account by November for the fall semester and by April for the spring semester.

Fellowships given to students who are non-resident aliens for tax purposes will be charged U.S. federal income tax at the rate of 14% unless the student is eligible for and has elected a tax treaty exemption. The tax will appear on the student’s account at the beginning of each month in which they receive fellowship.

Awards given to students who are non-resident aliens for tax purposes are taxed at 30% and tax treaties are not applicable. The tax will appear on the student’s account at the beginning of each month in which they receive an award.

During summer orientation week, international students are provided information and offered help with taxation. For questions, please contact the International Student and Scholar Services and Advising Office by email at [intl@brynmawr.edu](mailto:intl@brynmawr.edu), phone at (610) 526-7390, or visit [www.brynmawr.edu/pensby/international](http://www.brynmawr.edu/pensby/international).

**Billing Information**

The College bills tuition and fees by semester through NelNet Campus Commerce. Email notifications are sent to a student’s Bryn Mawr email account when a billing statement has been generated and is available to view. Students may add an authorized party to their NelNet account to receive billing notifications, view billing statements, and make payments through BiONiC. **The College does not send paper bills.** Please reference [www.brynmawr.edu/studentaccounts](http://www.brynmawr.edu/studentaccounts) for more information.

- Bills for the fall semester are available the first week of July and **payment is due August 1.**

Payments can be made online. Students and other authorized payers may access billing information by visiting [www.brynmawr.edu/studentaccounts/receiving-your-bill-ebill](http://www.brynmawr.edu/studentaccounts/receiving-your-bill-ebill). Payments from outside the United States in need of foreign currency exchange can be processed via the “Flywire Education” website: [www.flywire.com/pay/brynmawr](http://www.flywire.com/pay/brynmawr). ## Tuition and Fees Refund Policy

Students will be refunded 100% of previously paid tuition, room and board, and college fees if the Dean’s Office receives written notice that the student has withdrawn from the College or begun a leave of absence before the first day of classes. Starting on the first day of class, students who withdraw or take a leave of absence from the College will be refunded tuition, room and board, and fees according to a schedule up to 60% of the enrollment period completed. Fall and spring breaks are not included in the calculation. Students who withdraw after completing 60% of the semester are not entitled to a refund. Self-Government Association dues and the international health insurance portion of the College Fee are non-refundable starting the first day of classes.

## How Financial Aid Funds are Credited

Financial aid is credited to the student’s account in two equal disbursements (Fall and Spring).

**Bryn Mawr International Loan:** Before a loan may be disbursed as a credit to the student account, the student must first accept the loan on [bionic.brynmawr.edu](http://bionic.brynmawr.edu), sign an annual promissory note, and sign loan disclosure forms during a loan counseling session. Entrance loan counseling workshops will be held during summer orientation.

**Grants and Scholarships:** Bryn Mawr Grants are credited prior to billing, and will appear on the student’s billing statement. Outside Scholarships and Employment Tuition Benefits are credited once the College has received the funds from the agency or donor.

**Campus Employment:** Wages earned through Campus Employment are paid directly to the student bi-weekly and are not credited to the student account.

## How to Access a Credit Balance

The student’s account becomes eligible for a refund when the balance is exceeded by the credits posted to it. Refunds resulting from an overage from Bryn Mawr International Loan funds or other sources must be requested from [studentaccounts@brynmawr.edu](mailto:studentaccounts@brynmawr.edu). Credit balances not requested as refunds will be rolled over to the next semester’s bill.

## Return of Institutional Aid Refund Policy

When a student leaves the College prior to completing 60% of a payment period or semester, the College recalculates eligibility for institutional aid. Recalculation is based up on the percentage of the enrollment period completed. Fall and Spring breaks are not included in the calculation. Students who complete over 60% of the enrollment period retain all institutional funds.
