PACT for Animals

716 Black Rock Road, Gladwyne, PA 19035

Established in 2010, PACT for Animals is a nonprofit organization dedicated to finding temporary pet foster care for the pets of military personnel on deployment and individuals hospitalized for critical illnesses. Its mission is to provide no-cost programs that directly benefit both companion animals and their owners, while also educating and advocating for animal welfare issues. PACT helps military personnel, hospital patients from infants to senior citizens, and their animals through the nation’s only Military and Hospital Animal Foster Program. By providing short-term and long-term foster homes for animals when their owners are temporarily unable to care for them, PACT reduces the number of animals surrendered into animal shelters due to temporary emergency situations. As a result, PACT for Animals saves both the lives of beloved companion animals at risk of abandonment and the well-being and peace-of-mind of their human companions, until they can be safely reunited.

Position titles and descriptions: General Intern- Positions TBD
(2 openings)

The two General Intern positions will develop into specific positions based on individual skill capacity and program needs. Currently, PACT is seeking interns with interest in outreach event coordination and extensive social media knowledge. If these two areas do not suit a prospective intern, there are a variety of other tasks that can be allocated to each intern. PACT student interns are highly valued at our organization and we do our best to create a beneficial experience while we, in turn, receive help with important work necessary for the success of our program. Interns will also learn to navigate Salesforce, a customer relationship management software program used in many professional arenas, speak with clients in a professional manner, and gain nonprofit work experience.

Qualifications
Pact seeks someone who is detail-oriented, proficient in Microsoft office and possesses excellent people and communication skills. Must speak clearly and professionally when on the phone for customer service. Must be well versed in social media platforms including: Facebook, Instagram, Twitter, Hootsuite, and LinkedIn.

Time commitment: Flexible shifts available Monday through Friday, scheduled between the hours of 9:00AM – 5:00PM (may not exceed 12 total hours per week)

Transportation: Please note that there is no public transportation available to the office. Interns may bring their own cars.

For walkers and cyclists, PACT for Animals is a 25-minute walk and 10-minute bike ride from Bryn Mawr College.
