Accommodations: Dormitory accommodations are available on Friday and Saturday nights. Individual dorm rooms do not lock, so please leave your valuables at home. Dorms open at 10 a.m. on Friday and close at noon on Sunday. Room assignments are made in the dorm assigned to your class, as space permits. Preference for rooms is given to those with special needs and very young children in order of the date by which we receive your registration.

Rooms include a pillow, bed linens, blankets, soap, and two full-body but smaller towels. Guests must bring anything else. All beds are singles, there are shared (mostly co-ed) bathrooms in the hallways, and some of the dorms are not air-conditioned. If you reserve more than one bed, they might not be in the same room.

Please let us know if you have any physical limitations. Our dorms are old and many have single steps in the hallways, or bathrooms with tubs or showers but not both. In order to assign you to the correct room, we must know if you have difficulty walking steps, require a shower or bath or anything else that would be pertinent. Knowing this in advance will help eliminate last minute on-site room changes.

Dorm pricing is per person, not per room.
