“To Protect The Health of the Public”

Manahil Siddiqi
Bryn Mawr College
Smoking Kills More Americans than All of these Combined

- AIDS
- Car Crashes
- Heroin
- Homicide
- Alcohol
- Fires
- Cocaine
- Suicide
“Based on current rates, more than 1 million current college students are projected to die prematurely from tobacco use”

“If young people don’t start using tobacco by age 26, they almost certainly will never start” - Surgeon General Regina Benjamin
