# Employees

Counts as of official reporting date of November 1

**Note:** The counts below are taken from the data reported annually to (IPEDS). Race / ethnicity and gender reporting are mandatory only every other year, so some years are missing race / gender data. Faculty counts will differ slightly from those reported in the Faculty factbook page, as the IPEDS and AAUP definitions of faculty differ slightly. Counts exclude part-time graduate assistants. Starting in 2016, "Full Time" means eligible for full benefits (26+ Hours/Week).
