United Way’s Impact Fund: ending intergenerational poverty in our region. (Code 34)

At United Way, we are on a mission to end poverty—the kind that traps families for generations. Your support of the Impact Fund advances a two-generation approach that builds youth success (Code 53554) and family stability (Code 53553) throughout the region.

**Our Focus Areas**

- **Early Learning:** school readiness and family literacy
- **Career Pathways & Pipelines:** education and job training that provide pathways to career advancement
- **Economic Self-Sufficiency:** skills to earn a living wage, save and build assets
- **Community Stability and Advocacy:** connecting community members in need with resources and advocating for sound policies that help end poverty

**Our Goals**

- 90% of children will read on grade level by the end of third grade.
- 50K youth aged 15–24 will reconnect to school or work; we will prevent 16K from falling off track.
- We will help 300K individuals overcome poverty and prevent 300K more from slipping into its cycle.

Note: projected outcomes anticipated by 2030.

**When you invest in the Impact Fund, you support a holistic approach:**

- Mobilizing 15,000+ Volunteers
- Convening powerful partners
- Leveraging collective Impact
- Building capacity for nonprofits
- Advocating for sound public policy
- Providing low-cost fundraising
- Deploying community expertise
- Investing in high-quality nonprofits
- Delivering measurable, lasting results
UNITED WAY IMPACT FUND

Gifts to the Impact Fund support the work of United Way and our Impact Partners - select nonprofit organizations delivering measurable results in the areas of Youth Success and Family Stability - to help lift our most vulnerable neighbors out of poverty, one child, one adult and one family at a time.
