Medical-Legal Partnerships
Elizabeth Vandenberg
Field Supervisor: Cynthia Haskin
Advisor: Prof. Raymond Albert and Kelly Strunk

Learning Questions

• What need is the MLCP serving?
• How is the MLCP providing services?
• To whom are they providing services?

Field Work

Legal services provision at the Medical-Legal-Community Partnership (MLCP) in Health Centers 3 and 4, a partnership between Philadelphia Legal Assistance and the Philadelphia Department of Public Health (PDPH)

Client intake

• Communicating with outside organizations
• Public benefits applications
• Maintaining records
• Building relationships with Health Center staff

Coursework

• Literature review
• Outcomes report for the PDPH
• Final paper on national MLP policy work

The MLCP’s Caseload

The PDPH report reviews the kinds of cases that the MLCP sees, as well as the case outcomes. My own caseload has ranged from Medicaid applications to wills.

![Caseload Pie Chart]

- Medicaid: 30%
- SSI: 15%
- SSDI: 5%
- Public Utilities: 7%
- Private Health Insurance: 5%
- Food Stamps: 8%
- Other: 30%
