

Waiving Your Student Health Plan

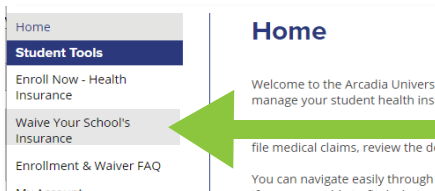

Welcome to the FirstStudent portal. In this tutorial, you will receive step-by-step instructions on how to waive your student health plan. Please note, you'll need to access your student email account in order to access FirstStudent's verification code. **This code will stay active for 30 minutes. Additionally, please have all your current insurance information easily accessible to complete this process.**

[View video tutorial](#)

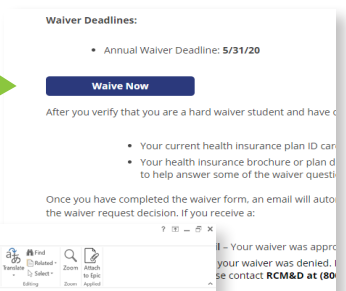

- 1 Enter **www.FirstStudent.com** in your web browser.
- 2 When you reach the FirstStudent homepage, select your college or university from the drop down menu on the front page.

- 3 On your institution's home page, select the "Waive Your School's Insurance" option from the list on the left side of the screen.

- 4 Click the blue "Waive Now" button.

- 5 Enter your birthday, followed by your student ID number.

- 6 Check your school email account, there will be a verification code sent to you. **Please Note: This code will only be active for 30 minutes.**

- 7 Copy the 6 digit verification code into the provided box and click "Next."

- 8 Verify your name, email, student ID number and campus location and click "Next."

- 9 Click "Yes" under "Do you currently have health insurance?" and click "Next."

- 10 Enter all the required insurance information, click "Next."

- 11 Provide your electronic signature and click "Submit" to complete the waiver process.
