Discover Southeast Alaska by Small Ship

* Tails, Talons, and Totem Poles *
Dear Alumnae/i, Family and Friends,

I am pleased to invite you to join us, Donald C. Barber†, Associate Professor of Geology and Environmental Studies, and travelers from neighboring Jefferson University for a summertime expedition through some of nature's more secluded landscapes as we discover the remote inner reaches of Alaska's Inside Passage aboard the 66-passenger Admiralty Dream.

Enjoy the agility and flexibility of small-ship travel, up-close encounters with wildlife, stunning scenery, cultural experiences, and the guidance of two expert naturalists including an Orbridge Expedition Leader.

Capture the sight of whales breaching next to your boat, bears fishing along the shoreline, and eagles looking down from their nests—all part of nature's amazing show.

This program also offers an optional pre-tour to Denali National Park. Explore this vast and stunningly beautiful wilderness—home to Mt. Denali, the highest mountain in North America. Ride the Alaska Railroad, stay in a hilltop lodge with panoramic views located inside the park, and learn how this magnificent area became one of our nation's most breathtaking conservation areas.

Space is limited. With significant savings of up to $1,000 per couple, we anticipate this tour will fill quickly, so be certain to reserve your spot today and share this brochure with family and friends who may be interested in traveling with you.

Reserve today online at brynmawr.orbridge.com, by calling (866) 639-0079 or (610) 526-5316, or by returning the enclosed reservation form.

Warm regards,
