Step 4 – Make changes to your courses and hit OK.

The changes will be reflected on your record after June 25th.

Please review your courses below and select the final grade status - Graded or Credit/No Credit - for each course using the selection box. Click OK to SAVE.

You may select to cover up to four (4) numerically graded courses with Credit/No Credit grades for the academic year. To see the full Academic Year 2020-2021 Special Grading Policy and FAQs click [here](#).

This page will be available to edit through June 14th. All selections must be made by then. These changes will not be reflected on your official record until after the deadline. These final changes will be made by Registrar's Office staff between June 15th and June 25th.
