Title(s) of submission:

With the exception of the Seymour Adelman Award, the contests are judged anonymously and your name should appear only on the cover sheet and not on the copies of your submission. If making multiple submissions to a particular prize a cover sheet would be needed for each submission. For example, if submitting more than one short story for the Winkelman then submit one cover sheet per title. Only students studying abroad may submit electronically.

Please contact Bryn Thompson, bthompson@brynmawr.edu if you have any questions.
