

How to access Responsible Conduct of Research certification on Collaborative Institutional Training Initiative (CITI)

1. Go to citiprogram.org, and click the Log In button on the top right.

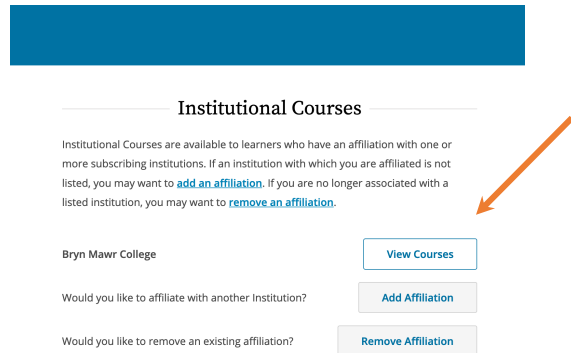

2. If you already have a CITI sign in, you may use it here. If not, click Register.

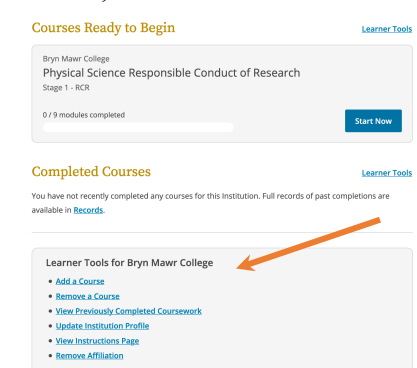

3. If you can sign in with a CITI login:

a. Click the View Courses button.

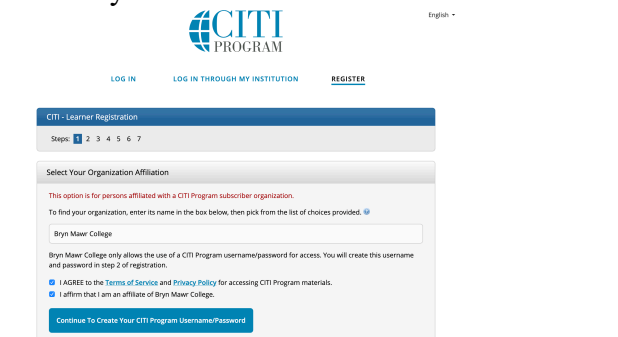

b. On the next page, scroll down toward the bottom, and click Add A Course.

3. If you need to register:

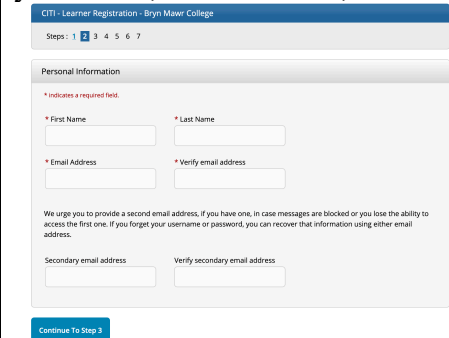

a. Under Select Your Organization Affiliation, type Bryn Mawr College. (It should autofill.)

b. Check the boxes agreeing to service terms and privacy policy and affirming an affiliation with Bryn Mawr. Press the button to continue.

How to access Responsible Conduct of Research certification on Collaborative Institutional Training Initiative (CITI)

c. Go through the steps to register, providing your name, email address, and other data.

4. On the Select Curriculum page, choose “Not as this time” for the modules you do not need. At Question 3, Responsible Conduct of Research, select the course suited to your research:

Biomedical, Social and Behavioral, Physical Science, or Humanities

Responsible Conduct of Research Course.

Click the Submit button at the bottom of the page.
