Bryn Mawr College is making enhancements to the retirement plan to give you more flexibility when making contributions. The enhancements are scheduled to be available on or about July 24, 2023. You will receive another communication once they are available.

**Online contribution election**
The new online salary deferral feature at TIAA will allow you to enroll in the program and make changes to your contribution amounts at [TIAA.org/brynmawr](http://TIAA.org/brynmawr).

**Automatically increase your contributions**
If you are already participating in the program, you will have the ability to set up self-directed automatic increase for your contributions to help build your savings faster. You will be able to choose when you would like to automatically increase your contributions, the rate of the increase, and when you would like to start and stop the automatic increase.

There will be a brief quiet period beginning Friday, July 14 through Sunday, July 23, when you will not be able to make changes to your contribution rate or enroll in the program. During this period, you can still access your account, request fund transfers, update your beneficiary and review investment performance at [TIAA.org/brynmawr](http://TIAA.org/brynmawr).

**Help when you need it**
A TIAA financial consultant can help you with your retirement plan. You can call TIAA at [800-732-8353](tel:800-732-8353), weekdays, 8 a.m. to 8 p.m. (ET), and schedule a session to:

- Understand all your investment options
- Determine how much to save
- Make informed choices and monitor your progress

This service is available as part of your retirement program at no additional cost to you.

Visit [TIAA.org/brynmawr](http://TIAA.org/brynmawr) anytime to learn more about your plan.
