

Camper Care Team Member

Position Overview:

Our Camper Care Team Members serve as mental health support team members, managing the mental, social, and behavioral concerns and issues that may occur with campers and/or staff. They support other staffers in working with campers who are having difficulties adjusting to camp, work directly with campers, and partner with parents and campers' therapists as necessary. They are key members of the mental part of supporting our campers in having a healthy, happy, and successful experience at camp!

Eden Village camp is a non-profit overnight camp rooted in the Jewish vision of creating a more environmentally sustainable, socially just, and spiritually connected world. We're dedicated to providing campers with an incredible summer experience while empowering them to promote a vibrant future for themselves, their communities, and planet. Learn more <u>here</u>!
