

# TRI-CO PHILLY 2026 PROGRAM

BRYN MAWR  HAVERFORD  SWARTHMORE

## TRI-CO PHILLY—FALL 2026

A one-semester program that allows you to experience the diverse and vibrant city of Philadelphia through your academic studies, with a cohort of Tri-Co students.

### Fall 2026 Courses (program students choose two):

- ENVS/VIST H317A Ecologies of Cooperation: Modeling Participation and Ecological Practice  
Through Philadelphia-Based Arts, Culture, and Environmental Co-Operatives
- MATH B195 Biostatistics: Data, Health and Ethics in Philadelphia
- ART 061/ENVS 056 Art and Culture of Indigenous Philadelphia: From Shackamaxon to the Present

*This program is open to second-semester first years, sophomores, juniors and seniors.*

*All travel costs are covered. For more information, attend an info session.*
