*Independent Student: Tracking Group V5*

**A. FAMILY INFORMATION**

Your 2027–2028 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your spouse (if applicable) reported on your FAFSA. To verify that you provided correct information, the Bryn Mawr College Office of Financial Aid will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Financial Aid. Bryn Mawr College may ask for additional information.

**B. FAMILY INFORMATION**

Family Size- Includes the following:

- The student.
- The student's spouse (if married)
- The student's children if they will provide more than half of their support from July 1, 2027 through June 30, 2028
- Other persons if the following are true:
  - They live with student, and student or student's spouse
  - They receive more than half of their support from student and will continue to receive more than half their support from student during the award year.

The provided criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the student could claim as a dependent on a U.S. tax return if the student were to file a U.S tax return at the time of completing the 2027-2028 FAFSA. As a result, the student should not include any unborn children in the family size. If more space is needed, provide a separate page with student's name and ID number at the top.
