

Dear Bryn Mawr College Alumnae/i,

During these challenging times, connecting with and supporting the Bryn Mawr community can provide hope and reassurance. The Career & Civic Engagement Center and Alumnae/i Relations and Development have some specific ways you can do this.

**SHARE: (or CONNECT)** Support both students and alums by joining [Mawrter Connect](#). Connections and conversations can happen around a variety of topics. When students and other alums reach out via email, they can specify why they'd like to talk to you.

Community connections can also happen in two [Bryn Mawr exclusive LinkedIn groups](#): Bryn Mawr College Alumnae/i and Bryn Mawr College Alumnae/i & Students.

Consider serving as an [externship](#) host! Contact Patty Greenfield at [pgreenfiel@brynmawr.edu](mailto:pgreenfiel@brynmawr.edu).

**HIRE: (or REFER)** You can also help by [promoting internships and job postings](#) for Bryn Mawr students looking for opportunities. Please contact 610-526-5174 or [recruit@brynmawr.edu](mailto:recruit@brynmawr.edu) with any job posting questions.

To post jobs for alums, share openings on the Mawrter Connect [Jobs Board](#). Please contact Becky Ross at [raross@brynmawr.edu](mailto:raross@brynmawr.edu) with any questions about this process.

**LEARN:** Do you want to enhance your LinkedIn profile? Are you seeking to expand your network? Join "Maximize Your LinkedIn and Harness the Bryn Mawr Network!" Tues, [Oct 27](#), 5:30-6:30 PM ET.

Thank you for considering these opportunities as we all navigate this unique fall semester.

Sincerely,

Millicent Bond, Director, Alumnae/i Relations

Katie Krimmel, Associate Dean, Career & Civic Engagement Center
